

School Year: **2023-24**

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Thurgood Marshall K-8 School	56725380100362	June 9, 2023	August 23, 2023

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Additional Targeted Support and Improvement
Thurgood Marshall School has been identified under ATSI for high chronic absenteeism, high suspension rates, low performance in English Language Arts, and low performance in Mathematics. The identified significant subgroups are Hispanic, Homeless, Socioeconomic Disadvantaged, and Students with Disabilities.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Marshall K - 8 Academy of Visual and Performing Arts' school mission is to inspire students to reach their highest potential and our vision is to create and maintain a culture of safety, academic success, and a college and career-going mindset for all students. Through the mediums of technology and visual and performing arts, we inspire students to reach their highest potential and become leaders in their community.

Oxnard School District has created a strategic plan in order to ensure that we fully develop our student profile and work toward fulfilling our Mission and Vision. Mission: In Oxnard School District, we nurture self-confident and empowered multilingual global citizens, strong in their multiple identities and potential, who achieve inspired levels of individual, community, and social accomplishment in school and beyond in their endeavors.

Vision: Ignite, Transform, Nurture, Embrace.

This 2023-2024 school year, the Oxnard SD Student Profile will be a driving force and core focus of our work with students, staff, parents, and the community. Each area - Focused on the Future, Digital Learner, Collaborator, Innovator, Problem Solver, Achiever, and Global Thinker will be

embedded in all programs and key areas of instruction. As we mold our 21st Century scholars, the Student Profile will be the pathway to preparing our students for their future.

Our strategies/activities support our values and principles: Equity and Excellence; Safe and Affirming Environments; Achievement/Performance, Multilingualism, Global and Socio-Cultural Competence; Relationships built on Integrity, Mutual Trust, Respect and Caring; and Professional Accountability and Service. Our goals can be realized by following a Theory of Action, which constitutes committing to a vision of success; to be relentless in clarifying and supporting classroom leadership; to build school leadership; to benefit from organized district leadership; and to engage our families and community, which will lead us to become a highly effective and equitable school. A guiding focus for the district is on five strategic goals which form the framework for powerful and sustainable school and district transformation: Student Academic Engagement and Achievement; a Positive and Safe Learning Environment and School Climate; Guidance and Support to Sites; Family/Community Alliances for Student Success and Transformational Leadership and Infrastructure.

All of our strategies/activities are designed to further these pedagogical principles:

1. Identify, activate, and build on student strengths.
2. Affirm student identities by challenging the devaluation of minoritized students' identities.
3. Establish powerful relationships that nurture equity and success.
4. Engage students actively in the learning process., by amplifying student voice.
5. Create environments of enrichment, rather than remediation, that engage students' multilingual repertoires.
6. Situate learning in the lives of students by connecting to their lives.
7. Elicit high intellectual performances that help connect students' identities to academic engagement.
8. Address the prerequisites for learning, including incorporating pedagogical practices that challenge coercive relations of power.

These pedagogical principles will be the foundation on which the Strategic Action Plan and Student Profile drive the strategies and actions for the Marshall SPSA. Through a collective efficacy, every student will be represented throughout the Marshall SPSA, and will be the focus to drive student achievement.

The focus at Thurgood Marshall School is optimal learning for every student. The Oxnard School District Student Profile guides our certificated and classified staff in preparing students for future career opportunities. Our instructional staff regularly reflect on best practices to monitor student progress and plan instruction. We collaborate to align instruction to the Common Core Standards for all subject areas. The staff reference district assessment timelines to ensure that curricular areas are covered in a timely manner and that all children are engaged in learning. The Administrators monitor instruction through regular classroom visitations and student monitoring conferences with individual teachers and grade levels. This year, Marshall will have the support of one site ISP teacher to help support instruction in the areas of Language Arts and Math.

Thurgood Marshall School staff are proficient at using data to guide their teaching and student learning with ongoing progress monitoring data of individual students. Throughout the year, teachers participate in regularly scheduled staff development. Grade level teams collaborate on the essential standards in language arts, mathematics, and English Language Development (ELD). Teachers share grade-level data to plan lessons that embed instructional strategies and differentiate for students' individual needs. PLC teams analyze data from the district and school-based

assessments. Summative and formative data analysis allows teachers, parents, and students to monitor progress toward academic goals, determine which strategies and interventions are working, identify when students need intervention, and target specific needs of individual students.

Our school has recently been identified as ATSI (Additional Targeted Support and Improvement), due to high chronic absenteeism, high suspension rates, low English Language Arts performance, and low Math performance. The CDE makes this determination based on previous student performance from state mandated assessments and data collection. We have identified strategies/activities to address this, such as conducting frequent home visits with the ORC, counselor, and administration to target chronic absenteeism, and SEL lessons provided in the classroom by the school counselor to decrease suspension rates.

The staff recognizes that students coming to school this academic year have growing academic and social-emotional needs. Marshall's goal for the 2022-2023 year is to focus on student-centered instruction that allows for rigorous questioning and opportunities for writing across the curriculum. Marshall intends to focus on collaboration to help shift the teaching pedagogy by focusing on data-driven and standards-based instruction while continuing to incorporate twenty-first-century learning skills. For focus students, specific interventions and in-class interventions are offered. The MTSS Site Team continues to implement and refine the Multi-Tiered System of Supports (MTSS) model. Marshall will continue a cycle of student monitoring meetings to address grade level specific and student needs. They will continue to address academics, attendance, social/emotional, and behavioral student needs. The MTSS team will provide strategies, actions, supports, and resources to target specific needs.

English Language Development instruction is a priority. The ELD standards are the guide for instruction and teachers use Wonders curriculum and core subject matter to develop student understanding. To ensure that ELD instruction is targeted to students' skill levels, teachers collaborate for ELD, grouping students based on ELPAC levels. Students have daily required ELD time to practice academic vocabulary, acquire English language skills, and become proficient in English. Grade level collaboration meetings and student monitoring conferences are held to track student progress and plan strategies to address student needs. Designated and Integrated ELD instruction is implemented through the curriculum in language arts and mathematics and other curricular subjects. Integrated ELD strategies and evidence-based practices provide support to EL students.

Our site is home to the Deaf and Hard of Hearing (DHH) and Visually Impaired programs that serve students throughout the district and county for the VHH program. The students in our programs are integrated into general education classes when appropriate. Our special programs include Deaf and Hard of Hearing, Language and Learning, and Visually Impaired. Some students are assigned a one-to-one paraeducator to provide behavior support. Some paraeducators are OSD employees and some are from outside agencies.

Additional programs are used in order to provide our students with various learning opportunities. The Accelerated Reader (AR) program helps all students to hone their comprehension skills and encourage a love of reading. The online myON program supports reading progress for students. Lexia Core 5 and Power Up support our students with intervention and enrichment in reading support. ST Math provides additional support in the area of Math. Technology is utilized by all classes for research, and the use of software programs allows students additional time to practice and develop their skills in reading and mathematics.

Thurgood Marshall School's highly qualified teachers meet the district and state guidelines. Common Core training in the areas of reading/language arts and mathematics empowers our staff to deliver effective instruction. The staff regularly participates in high-quality, district-approved training in all core disciplines, including technology.

Marshall School continues to incorporate a safe and positive learning environment with the lead of our Positive Behavior Intervention Support (PBIS) Team. There is a school-wide implementation of CHAMPS at Marshall and staff use a progressive discipline model to respond to student behavior in the classroom, on the playground, and at the administration level. The PBIS team meets on a regular basis to analyze data and identify areas of need and focus on the campus in order to help strengthen the positive learning environment. The school counselor provides Social-Emotional lessons to classes, in addition to restorative circles and mindful practices.

Parent involvement is a key element for the continued academic success at Marshall School. Teachers regularly communicate with parents by phone, through the Canvas Parent App, through text messages, on school websites, on social media, through e-mails, and at conferences. Parents are invited to a variety of general parent meetings, and family nights. Opportunities to volunteer are made available throughout the year. Parents are conforming to the Oxnard School District guidelines for volunteers to go through the background clearance process. Teachers use standards-based progress reports and assessment data at parent/teacher conferences to inform parents of their children's progress. Parenting classes share knowledge and practices that benefit families and helps parents to better support their children's learning. Throughout the year, parents are offered a list of opportunities to receive training and be involved in the school program through PTA, School Site Council, ELAC, and "Coffee with the Principal, ORC, and Counselor." Loving Solutions, Parent Project, as well as Latino Literacy workshops will be offered.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Marshall's Theory of Action includes the Observation Feedback Cycle. The Observation Feedback Cycle includes calendaring scheduled walkthroughs and providing feedback to teachers on observations. Evidence of Marshall's vision of every classroom participating in reading, writing, listening, and speaking was collected formally and informally. Evidence showed K-5 classrooms providing more opportunities for all areas in comparison to middle school classrooms. Classroom walkthroughs were conducted on a weekly basis. Through classroom visits, areas of schoolwide focus will continue to be identified which include student engagement and writing across the content areas. This also includes collaborative structures and academic language. In order to monitor these areas, the Marshall Leadership Team will focus on instruction and will facilitate collaboration meetings through departments and/or grade levels. Leadership will continue to focus on developing protocols to analyze data, planning for writing across the curriculum, and improving student engagement through strong initial delivery of instruction. Administration will develop a schedule to visit classes each week during the Monday Marshall Bulldog Team meetings. The Admin Team will document the number of classroom visitations with each teacher and provide feedback to each teacher based on instructional "Look Fors" discussed in Leadership and PD during teacher staff meetings two to three times a month. This will continue the systematic development of the Observation Feedback Cycle.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

CAASPP data, IAB data, ESGI data for Kindergarten as well as Star assessment data schoolwide is shared and monitored beginning with the Leadership Team at the start of the school year to initiate conversations around school target areas and student needs. With the Leadership Team, schoolwide goals are created and then shared with the staff to drive short and long term goals centered around student achievement. All content area departments will create goals utilizing CAASPP data to look at claims and targets. Teachers looked at grade level and cohort CAASPP data.

During the course of the year, teachers will continue to use IAB data to change instruction and create Common Formative Assessments (CFAs) based on the student performance on the IABs. The IAB's will be used to progress monitor student performance and to change instruction to the level of rigor for the CAASPP. Through the PLC process and collaboration days, grade levels and departments will determine which IABs to use to focus on key focus standards, specifically the claims and targets. We are continuing to work on how to convert this data analysis into a change in instructional practices.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Teachers utilize Star assessment data, Ellevate data, CAASPP data, and IAB resources to help monitor student progress throughout the school year. This data is collected and utilized during student monitoring meetings that are held with the MTSS team. Grade level and/or department meetings are held no less than twice per month on Tuesdays to focus on analyzing data to make instructional decisions for lessons and utilize the cycle of inquiry to guide their professional practice. Wednesdays allow for the continued discussion centered around curriculum and creating lessons for strong initial first delivery for mastery to the standards.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The OSD Human Resources department ensures that all site staff meets requirements to be considered "highly qualified." This is monitored by the HR department on a yearly basis.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials. New teachers are connected with well-skilled mentor teachers to help them with instructional or classroom management needs they may have.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. This includes Professional Development days before the start of the school year, as well as SIP days at the site level in August and October. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly. This process is also done during student monitoring meetings held after benchmark windows.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors, Managers and TOSAs (Teachers on Special Assignment) who provide support for Curriculum, Instruction, Assessment, Accountability, Bilingual Programs, Special Education, Special Programs, Pupil Services, Educational Technology and Equity and Family and Community Engagement. Site administration also functions as instructional leaders. Our regular school year calendar was revised to include three additional professional development days for all teachers (2 in the summer before school starts and 1 in the fall). Professional development was provided in the following areas: instructional content, culturally responsive grading and equity, special education assessments and TK instruction.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Marshall Tuesday meetings include no less than two meetings per month for specific collaboration for grade level and/or department focus.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. Bell Schedules are submitted prior to the start of the school year and approved by Ed Services and IT. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. The Master Schedule for middle school is built based on student needs and includes student interest as determined by a student elective survey. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Site library techs assure that all students have access to all state approved and adopted curricula. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs. Supplemental materials are purchased based on determined student needs aligned with performance data. This includes purchases necessary for specific student groups.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

At Marshall school we have a Multi-Tiered Systems of Support (MTSS) model that we follow that allows for identification of targeted interventions. Staff is trained to focus on targeted interventions and a variety of materials and strategies are provided to assist students in effectively meeting their targets.

Evidence-based educational practices to raise student achievement

Teachers are trained to provide evidence based instructional practices to raise student achievement for all students. This includes Para-educator support for grades Kinder to 3rd grade, district TOSAs (science, social science, ELD, Ed Tech) and our district Math Manager, as well as lead teachers on campus specializing in certain academic areas of focus. An LLI teacher which is site based provides small group instruction for K-3 student groups as determined by student performance data. Additional time is given for teacher collaboration which includes ongoing review of assessment results and strategies.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Parents are given multiple opportunities to be involved in parent groups. School Site Council, ELAC and "Coffee with Principal" are regular opportunities and are open to all interested parents. The Marshall Counselor and ORC will work together and offer parent workshops. This will include but will not be limited to Loving Solutions, Parent Project, and Latino Literacy workshops. PTA is another growing organization that gives parents the opportunity to meet and plan supports for our school. During the 2023-24 school year, Family Nights are planned for AVID, Mathematics, Family Literacy Nights, and Music and the Arts.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Parents, community representatives, teachers and other school personnel, who are our educational partners, are part of input and decision making in regard to the design and implementation of the SPSA and budget. Our Middle School orientation meetings are held annually to inform parents about the academy strand, A-G requirements and an overview of opportunities of the middle school.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Marshall uses its Title funds to target and support under performing students. The Intervention Support Provider (ISP) Teachers focus on targeted struggling students and identify specific needs of the students to develop lessons to help close the achievement gap. The services also include teacher collaboration specifically focused on data analysis which will help to drive instruction to meet the needs of under performing students, specifically English Learners, African American students, Foster Youth, Homeless and Special Education Students. Title III funds specifically support opportunities such as after school tutoring for under performing English Learners.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

In collaboration with the school leadership team, Marshall staff and ELAC review and provide input for the SPSA plan in order to recommend approval of the SPSA by the School Site Council. The SPSA is approved annually, however, School Site Council meets no less than 6 times per year which includes meeting to monitor the goals and actions and overall spending of categorical dollars. Any changes to the plan are reviewed and approved by educational partners for the recommendation and resubmission to School Site Council for final approval.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

This year not all students identified to receive additional support through intervention were able to receive in-person tutoring. This was due to unavailable personnel to hold after school tutoring and intervention. The school was unable to further develop the Visual and Performing Arts strand focus. However, the expenditures for health and safety were increased. Additionally, our site was unable to secure an ISP teacher. Monies were reallocated for field trips and enrichment activities.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	0.4%	0.26%	0.27%	3	2	2
African American	3.3%	3.34%	3.29%	26	26	24
Asian	1.4%	1.03%	1.37%	11	8	10
Filipino	2.6%	2.70%	2.47%	21	21	18
Hispanic/Latino	83.8%	83.70%	82.99%	669	652	605
Pacific Islander	0.3%	0.26%	0.27%	2	2	2
White	6.8%	7.32%	7.96%	54	57	58
Multiple/No Response	1.5%	1.41%	1.37%	12	11	10
Total Enrollment				798	779	729

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	89	90	73
Grade 1	78	69	72
Grade 2	75	76	69
Grade 3	91	72	75
Grade 4	98	95	68
Grade 5	99	88	94
Grade 6	100	101	89
Grade 7	98	91	100
Grade 8	70	97	89
Total Enrollment	798	779	729

Conclusions based on this data:

This data shows that in 2022-2023 Marshall's top 3 significant student groups are Hispanics (83%), followed by Whites (8%), and then African American students (3%). The middle school student population continues to grow as we are a fully established K-8 school. The Outreach Specialist and Counselor help support all students who are entering Marshall and educate students in 8th grade about A-G Requirements in High School. Additionally, some of our staff and parents attend the African American Parent meetings made available to all parents.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	182	193	172	22.80%	24.8%	23.6%
Fluent English Proficient (FEP)	118	100	85	14.80%	12.8%	11.7%
Reclassified Fluent English Proficient (RFEP)	31			17.0%		

Conclusions based on this data:

Our 2022-2023 school year data shows that 23.6% of students are English Learners and 11.7% are fully English proficient. Teachers continue to incorporate reading and writing into all core subjects across the curriculum. Staff is trained on how to incorporate various teaching strategies to improve language instruction for English Language Learners. Staff use integrated ELD strategies and evidence based practices during instruction to support EL students.

School and Student Performance Data

Star Early Literacy

Thurgood Marshall K-8 School											
		Less than Proficient				Proficient				Star Early Literacy Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade K	72	5	7%	3	4%	5	7%	59	82%	4	844
Grade 1	70	18	26%	8	11%	6	9%	38	54%	4	830
Grade 2	2	2	100%	0	0%	0	0%	0	0%	1	673

Conclusions based on this data:

Our 2022-2023 data reflects that many of our Kindergarten students are at a level four (Above Benchmark) on the Star Early Literacy. Students in the 1st grade are at 63% At/Above Benchmark. Kindergarten teachers consistently use ESGI data to guide instruction including creating fluid literacy groups facilitated by teachers and paraeducators. First grade teachers support literacy groups during their Universal Access time.

Those students in the 2nd grade who were assessed with the Early Literacy test (which is only given to 2nd graders when they score below a certain threshold on the Star Reading) will need support as four of the six scored in Level 1. EOY STAR Early Literacy data showed that only 2 second graders were tested indicating that most second graders were assessed on STAR Reading assessments.

School and Student Performance Data

Star Reading

Thurgood Marshall K-8 School											
		Less than Proficient				Proficient				Star Reading Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 2	67	18	27%	21	31%	19	28%	9	13%	2	914
Grade 3	48	13	27%	12	25%	14	29%	9	19%	2	979
Grade 4	37	16	43%	5	14%	9	24%	7	19%	1	976
Grade 5	27	17	63%	3	11%	4	15%	3	11%	1	983
Grade 6	54	12	22%	23	43%	16	30%	3	6%	2	1046
Grade 7	68	21	31%	14	21%	26	38%	7	10%	2	1070
Grade 8	86	31	36%	27	31%	21	24%	7	8%	2	1044

Conclusions based on this data:

EOY 2023 STAR Reading data showed Gr. 2 at 41% proficient, Gr. 3 at 48% proficient, Gr. 4 at 43% proficient, Gr. 5 at 26% (not an accurate reflection due to the low number of student tests captured), Gr. 6 at 36% proficient, Gr. 7 at 48% proficient, and Gr. 8 at 32% proficient. This is an increase from the beginning of the year proficiency levels for all grade levels. Gr. 3 had the highest gains in reading proficiency. STAR Reading was closely monitored through Leadership Team meetings, student monitoring meetings, and teacher collaboration times.

School and Student Performance Data

Star Math

Thurgood Marshall K-8 School											
		Less than Proficient				Proficient				Star Math Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 1	71	20	28%	24	34%	19	27%	8	11%	2	844
Grade 2	67	24	36%	21	31%	15	22%	7	10%	2	910
Grade 3	48	9	19%	14	29%	13	27%	12	25%	2	985
Grade 4	65	20	31%	21	32%	16	25%	8	12%	2	1002
Grade 5	28	18	64%	2	7%	3	11%	5	18%	1	1003
Grade 6	55	26	47%	21	38%	7	13%	1	2%	1	1043
Grade 7	76	36	47%	23	30%	13	17%	4	5%	1	1059
Grade 8	79	53	67%	15	19%	5	6%	6	8%	1	1055

Conclusions based on this data:

EOY 2023 STAR Math data for Gr. 1-8 shows a decrease from Spring STAR Math scores, but an increase in scores from the beginning of the year. Gr. 3 had the largest percentage of students performing at the proficient levels. Gr. 6-8 had the lowest levels of students in the proficient bands. Gr. 2-5 attribute many gains in math to the use of Zearn supplemental math materials. The spiral review was an efficient way to progress monitor student performance. Teachers were able to assign as homework practice and align it with math concepts being taught daily. Gr. 6-8 will be a focus for intervention, as well as a math department focus on lesson designs targeting heavily weighted standards and developing the format of tests given.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

Conclusions based on this data:

In analyzing the overall achievement for all students according to 2022-2023 in Gr. 3-8 in ELA, 47% of Gr. 3 were at met or exceeded, Gr. 4 were at 30% met or exceeded, 44% of 5th grade students were at met or exceeded, 8% of Gr. 6 were at met or exceeded. 10% of Gr. 7 were at met or exceeded. and 3% of Gr. 8 were at met or exceeded. This data indicates strong gains in Gr. 3 and Gr. 5 in their ELA data. Lowest gains were in GR. 6-8. The data shows a large percentage in Gr. 6 at Nearly Met indicating many students were not far from achieving in the Met performance band.

Conclusions based on this data:

According to 2022 - 2023 student performance data, Marshall improved in the percentage of students above standard. Grades 3 and 5 showed the highest gains in overall performance. They had the most significant increase in exceeded and met in math. Through close progress monitoring of individual student progress in Mathematics, students not making adequate progress will be given reteaching of concepts and skills. Middle school had the sharpest increase of students in the below standard band. Small group instruction will give extra support to students with their outcomes closely monitored by teachers. Data meetings and collaboration with teachers will focus on the progress monitoring of students through STAR 360 and other assessments. Teachers are receiving additional strategies that incorporate Math Mindset to help improve instruction.

6	9.09	41.67		90.91	50.00		0.00	8.33		11	12	
7	0.00	0.00		81.82	100.00		18.18	0.00		11	14	
8	*	*		*	*		*	*		*	*	
All Grades	7.19	16.52		66.91	69.57		25.90	13.91		139	115	

Conclusions based on this data:

For the 2022-2023 school year, 19% of Marshall's English Learners were Reclassified. Teachers continue to provide strategies and support for the EL's in the classroom. Teachers provide students opportunities to practice ELPAC type questions throughout the school year. 6th-8th grade teachers are targeting long-term EL students by incorporating AVID Excel strategies into the classroom in addition to planning and designing lessons to meet the needs of English Learners.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
779	75.4	24.8	Students whose well being is the responsibility of a court.
Total Number of Students enrolled in Thurgood Marshall K-8 School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	193	24.8
Foster Youth		
Homeless	24	3.1
Socioeconomically Disadvantaged	587	75.4
Students with Disabilities	140	18.0

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	26	3.3
American Indian	2	0.3
Asian	8	1.0
Filipino	21	2.7
Hispanic	652	83.7
Two or More Races	11	1.4
Pacific Islander	2	0.3
White	57	7.3

Conclusions based on this data:

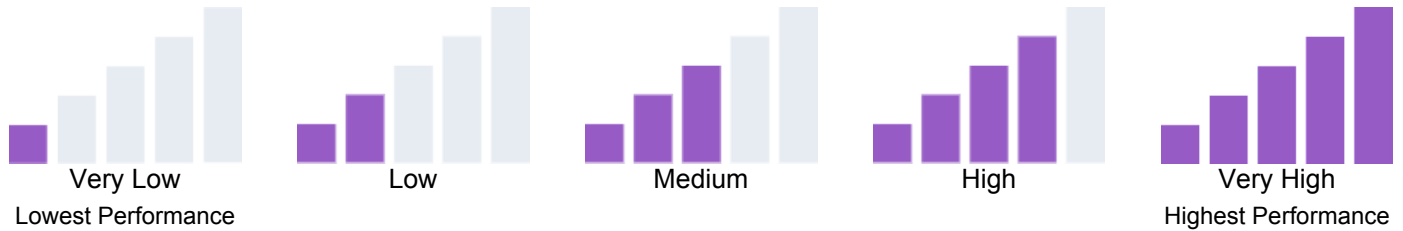

For the 2022-2023 school year, 75% of the students at Marshall are socioeconomically disadvantaged, 24.8% of students are English Learners. The significant ethnic groups include Hispanic, White and African American. Based on this data, Marshall will focus on strengthening designated and integrated English Language Development for English Learners. Teachers will analyze formative and summative assessments throughout the year that will help drive instruction, allowing teachers to progress monitor student achievement and develop specific targeted intervention for the needs of the students. Marshall will be monitoring the various student groups throughout the year.

School and Student Performance Data

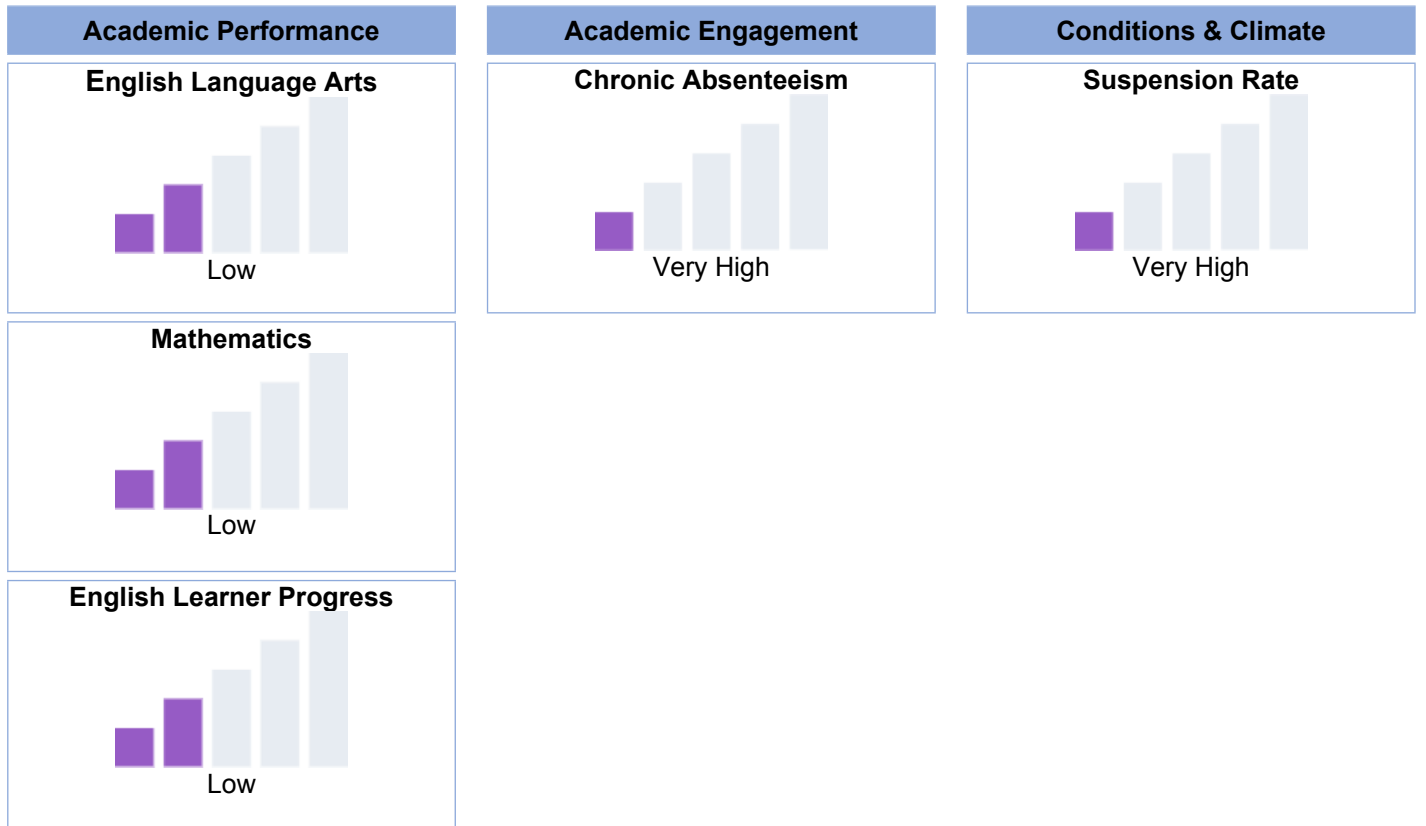

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

The 2022-2023 school and student performance data indicates areas that Marshall has fallen under ATSI. These areas include chronic absenteeism indicated as very high, and the suspension rate as very high.

School and Student Performance Data

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

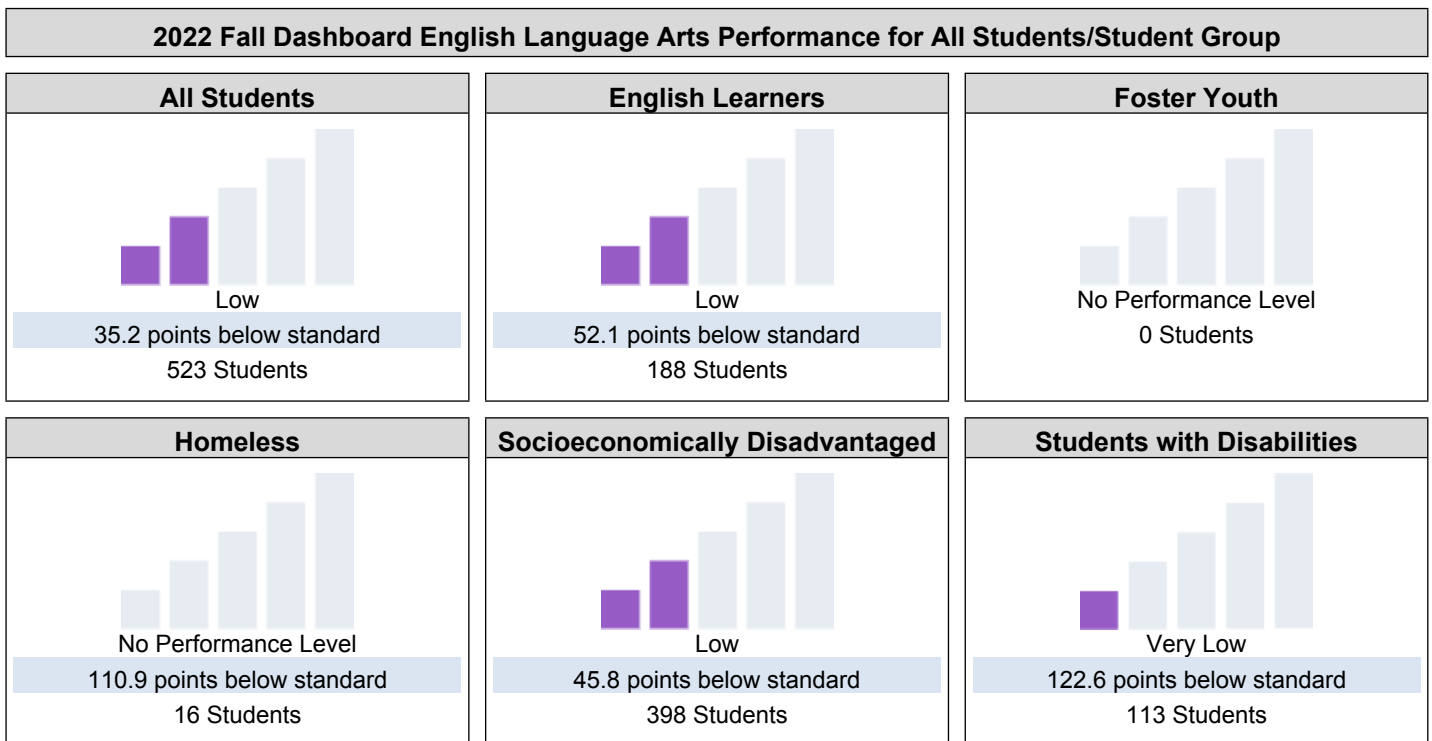

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

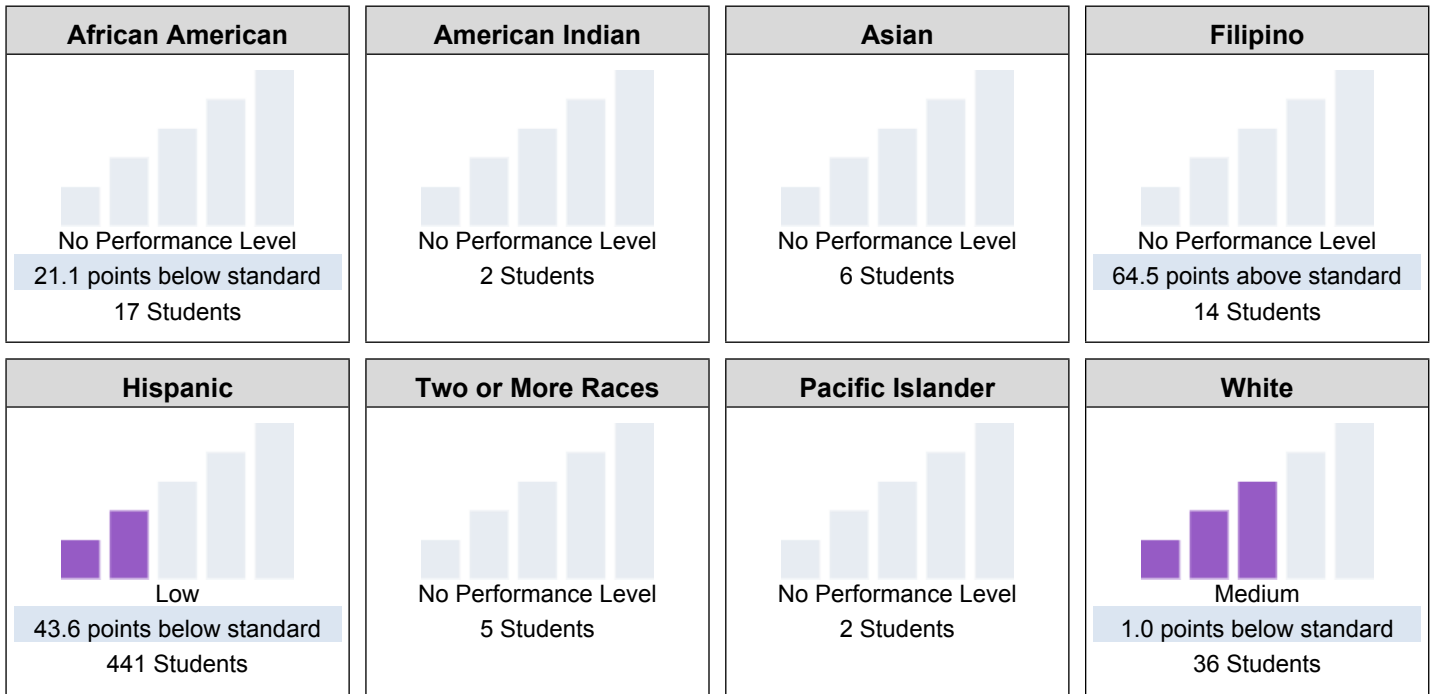

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
70.1 points below standard 109 Students	27.3 points below standard 79 Students	28.7 points below standard 311 Students

Conclusions based on this data:

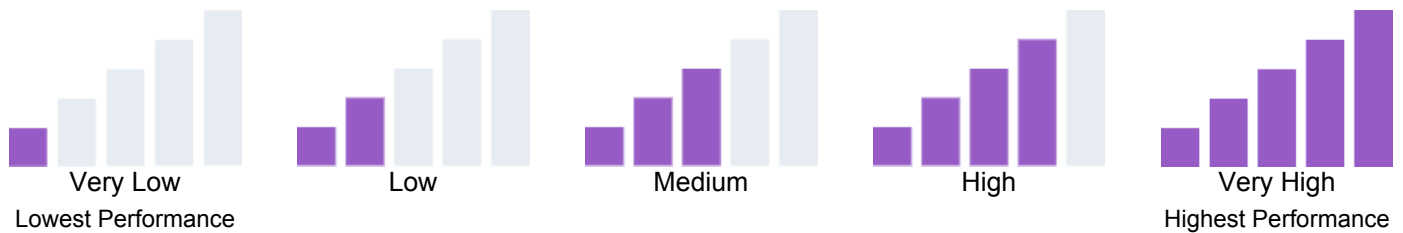

The 2022 - 2023 school and student performance data includes data under which Marshall has fallen under ATSI. In English Language Arts, student groups under ATSI include students with disabilities. They fell in the very low group for ELA. This includes 113 students in this student group.

School and Student Performance Data

Academic Performance Mathematics

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

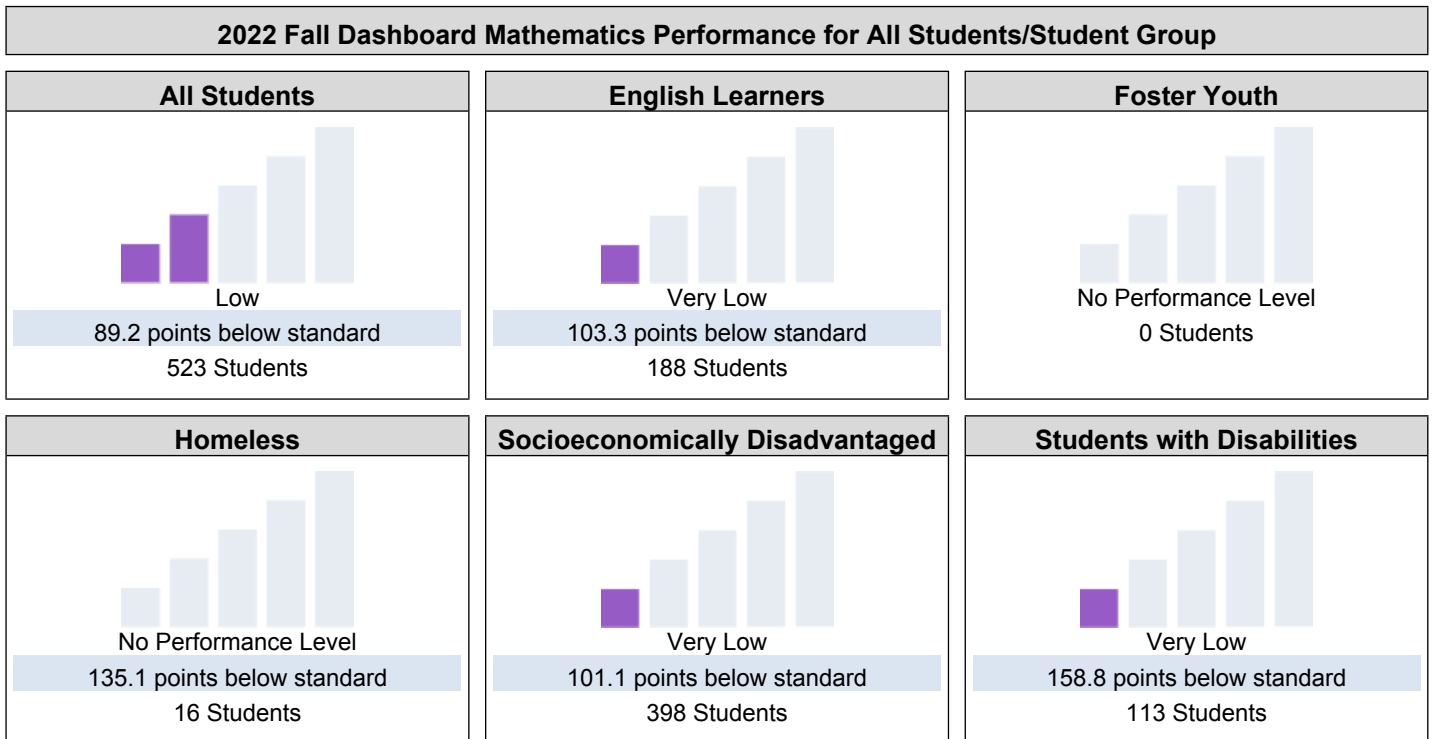

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

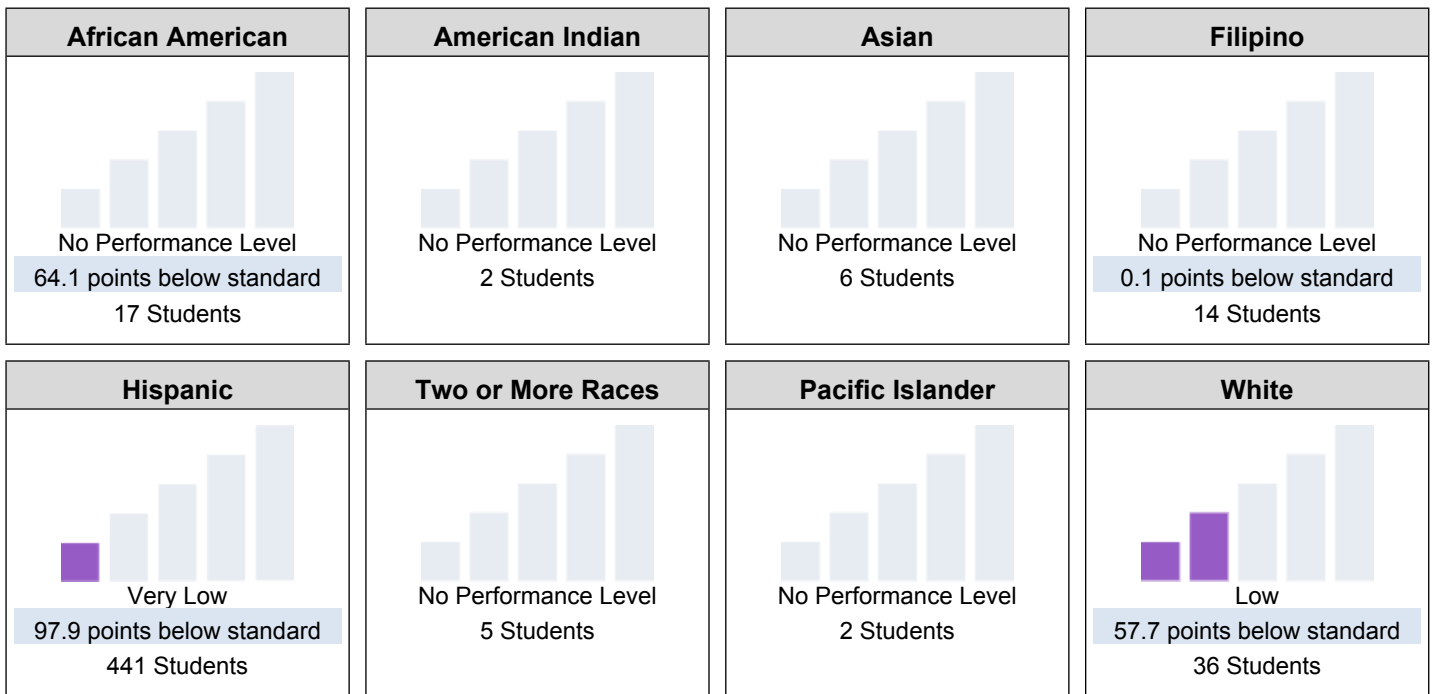

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
<p style="background-color: #e6f2ff;">109.1 points below standard</p> <p>109 Students</p>	<p style="background-color: #e6f2ff;">95.4 points below standard</p> <p>79 Students</p>	<p style="background-color: #e6f2ff;">81.7 points below standard</p> <p>311 Students</p>

Conclusions based on this data:

2022 - 2023 school and student performance data in mathematics indicate several student groups by which Marshall has been identified under ATSI. These student groups include our English Learners, socioeconomically disadvantaged, students with disabilities, and our Hispanic student group. Their academic performance all fell in the very low range in mathematics. Marshall will continue to use evidence-based EL strategies for English Learners. We will also strengthen our work with Mathematical Mindset training. Teachers will be provided with collaboration time to discuss successful strategies used in the classroom along with the use of the District Math manager to ensure that instruction in mathematics is being implemented more effectively.

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
11.9%	24.8%	0.0%	63.4%

Conclusions based on this data:

According to 2022 - 2023 school and student performance data, 64% of English Learners progressed at least one ELPI level. At Marshall, the majority of English Learners are at the moderately developed level. Marshall will use evidence-based strategies to increase the proficiency levels of our English Language Learners. Grade level teams will collaborate to specifically focus on the needs of the EL students based on their performance level. Designated and Integrated ELD will be implemented using district adopted materials. Middle school students will have opportunities to use AVID Excel strategies within the classroom in order to target English Learner growth.

School and Student Performance Data

Academic Engagement Chronic Absenteeism

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

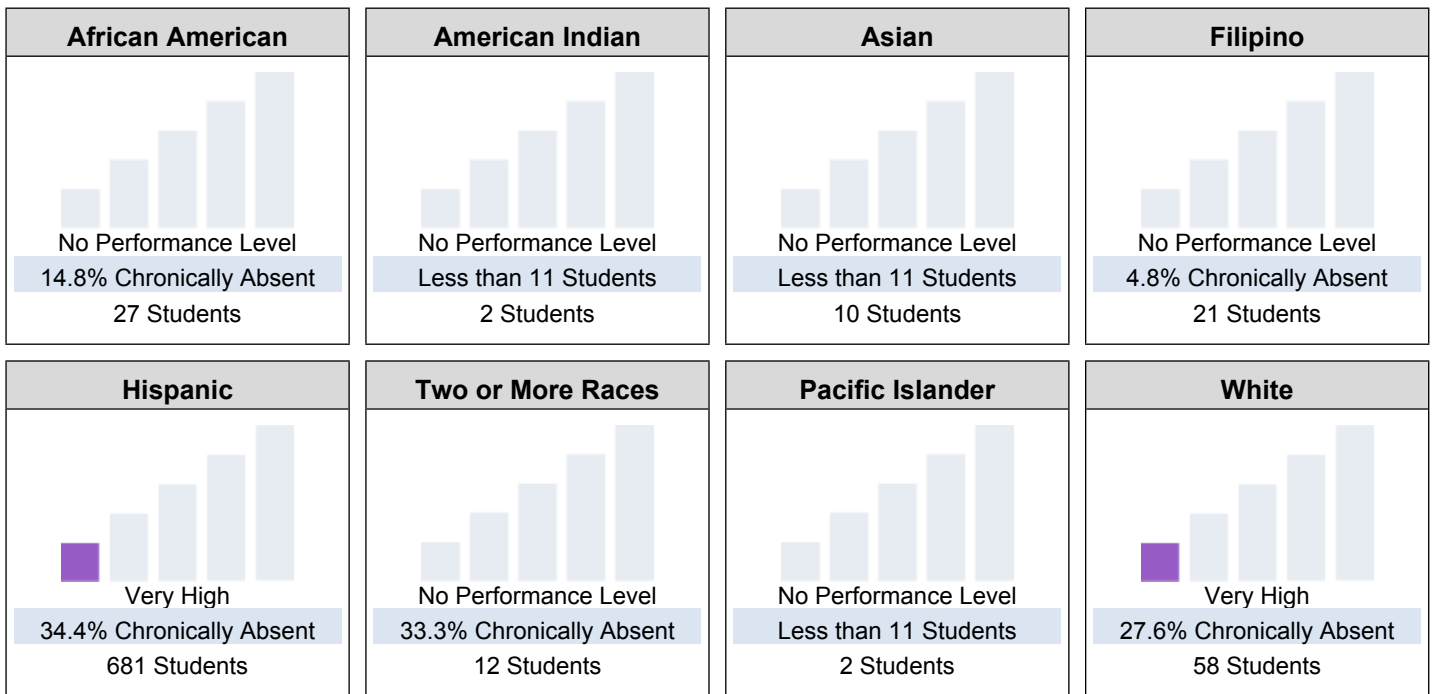

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2022 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

Conclusions based on this data:

Chronic absenteeism will be a primary focus with targeted interventions this 2023-2024 school year. It is an area in which several student groups fell under ATSI. These student groups include English Learners, Homeless, Socioeconomically Disadvantaged, students with disabilities, Hispanic, and White. Marshall will develop an incentive-based program for students with chronic absenteeism. The ORC in coordination with the Attendance Technician will monitor absences and provide outside resources to the families as needed. Site SARB meetings are held frequently to educate parents on the importance of school attendance and to identify any obstacles students may be facing that are preventing them from being at school and on time every day.

School and Student Performance Data

Conditions & Climate Suspension Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

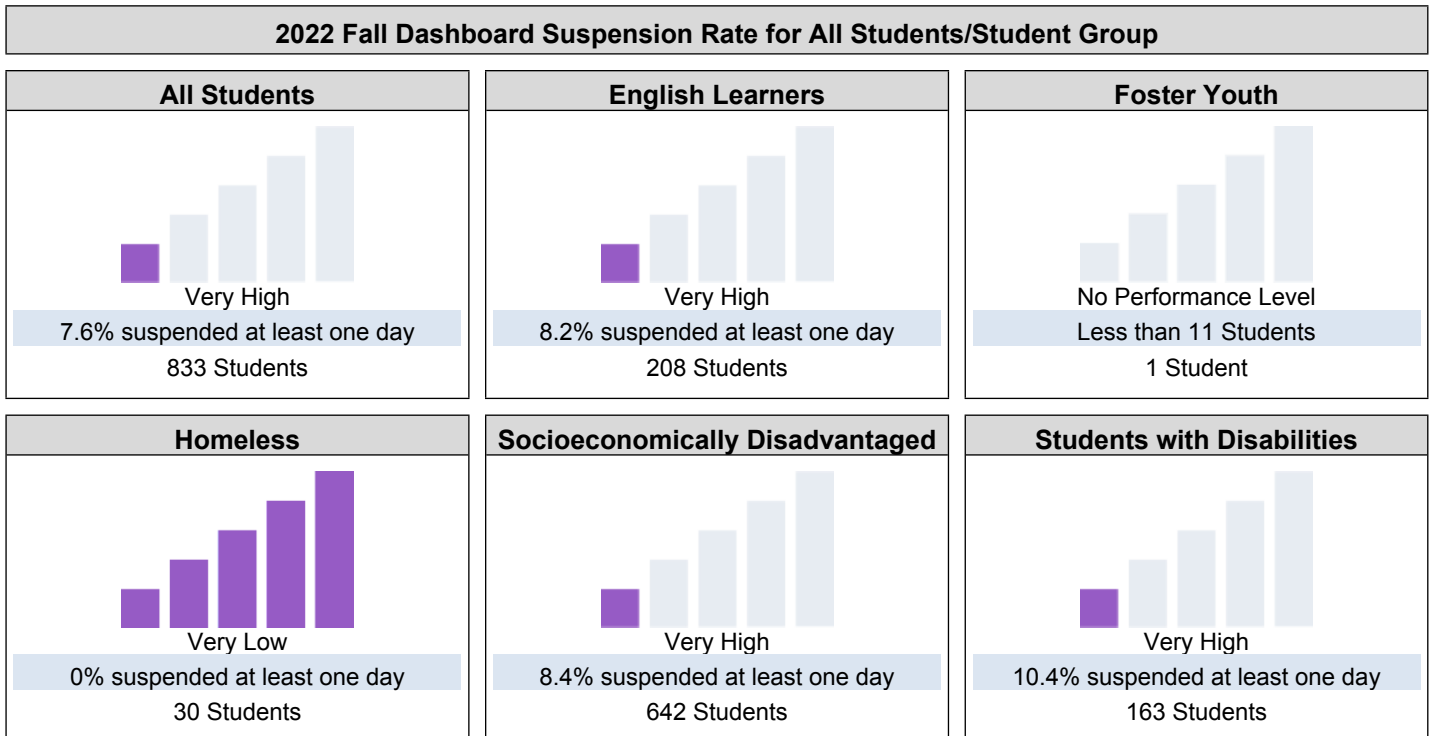

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

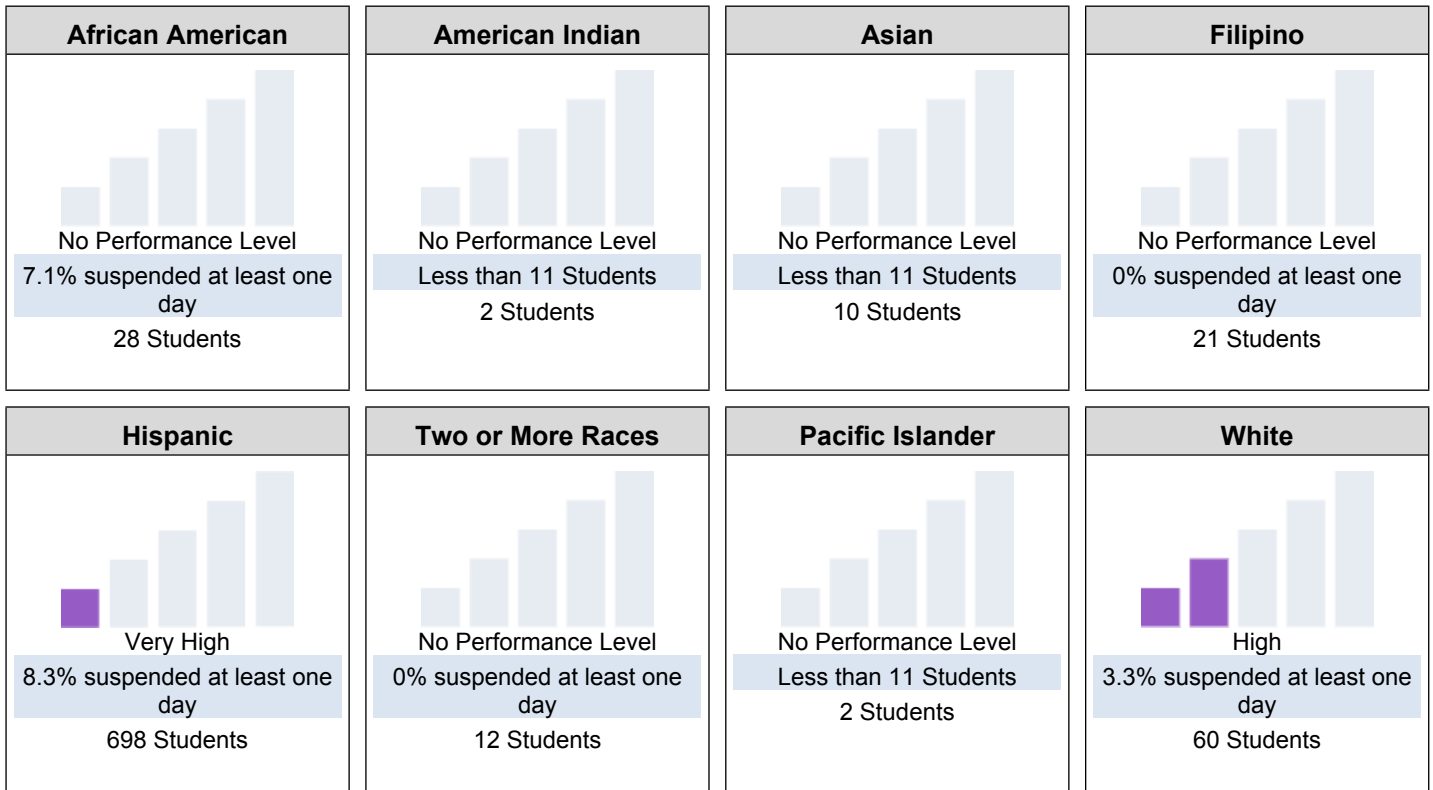

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

Conclusions based on this data:

2022- 2023 school and student performance data indicates several student groups in which Marshall has been identified under ATSI for suspension rates. These student groups include English Learns, socioeconomically disadvantaged, students with disabilities, and Hispanic. The suspension rates for these student groups are very high in the student performance groups. Marshall has established a progressive discipline policy and has trained staff in CHAMPS and PBIS strategies to help target behavioral problems.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading, writing, and mathematics.

Goal 1

All Students will reach high standards, at a minimum, attaining proficiency or better in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high-quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Star Early Literacy Assessment	EOY 2023 Data Percentage of students who scored At/Above benchmark: Kinder - 82% Grade 1 - 54%	Students in grades K-1 who score At/Above benchmark will increase by 10%. Students will demonstrate growth by moving one or two levels across the different levels and 3-5% of students will move from Approaching to At/Above Benchmark.
Star Reading	EOY 2023 Data Percentage of students who scored At/Above benchmark: Grade 2 - 41% Grade 3 - 48% Grade 4 - 43% Grade 5 - 26% Grade 6 - 36% Grade 7 - 48% Grade 8 - 32%	Students in grades 2 -8 who meet or exceed the benchmark will increase by 10%. Students will demonstrate growth by moving one or two levels across the different levels and 3-5% of students will move from Approaching to At/Above Benchmark.
Star Math	EOY 2023 Data Percentage of students who scored At/Above benchmark:	Students in grades 1-8 who meet or exceed the benchmark will increase by 10%.

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	Grade 1 - 38% Grade 2 - 32% Grade 3 - 52% Grade 4 - 37% Grade 5 - 29% Grade 6 - 15% Grade 7 - 22% Grade 8 - 14%	3-5% of students will demonstrate growth by moving one or two levels from intervention or on-watch to at/above benchmark.
Reclassification Rates	13% of EL students (24) in grades 3-8 reclassified during the 2022 - 2023 school year.	The reclassification rate of EL students will increase by at least 15%.
CAASPP ELA	2022 - 2023 Scores Percentage of students who met or exceeded benchmark: Grade 3 - 39% Grade 4 - 36% Grade 5 - 45% Grade 6 - 22% Grade 7 - 35% Grade 8 - 35%	Students will demonstrate growth by moving one or two levels across the different achievement bands and 3-5% of students will move from Nearly Met to Met/Exceeded.
CAASPP Math	2022-2023 Scores Percentage of students who met or exceeded benchmark: Grade 3 - 38% Grade 4 - 35% Grade 5 - 20% Grade 6 - 15% Grade 7 - 10% Grade 8 - 3%	Students will demonstrate growth by moving one or two levels across the different achievement bands and 3-5% of students will move from Nearly Met to Met/Exceeded.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including English Learners, Foster Youth, Homeless, Special Education and African American population groups.

Strategy/Activity

The District Math Manager will support teachers in implementing Math Mindset strategies, continued use of Zearn supplemental math materials, State Standards and framework for math, district adopted curriculum and ST Math.

The Science and Social Science TOSAs will support teachers in implementing Science and History/Social Science standards, framework and district adopted curriculum.

Teachers will continue to use CANVAS for instruction and communication with parents. The District Education Technology TOSAs will support teachers in implementing CANVAS, report cards and other technology related to instruction. Teachers will also be trained on Parent Square for communication with parents and families.

The District English Learner TOSAs will support teachers in implementing Designated and Integrated ELD interventions and strategies; how to reduce the amount of students who are Long-term English Learners; and implementation of the OSD EL Master Plan.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

--

District Funded 1000-1999: Certificated Personnel Salaries Certificated Salaries
--

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students, with an emphasis on English Learners, Foster Youth, Homeless, Special Education and African American population groups.

Strategy/Activity

Grade level and/or department meetings will support teachers to implement ELA and Math Common Core Standards. The Marshall MTSS team will hold student monitoring meetings with grade levels at a minimum of every 6 weeks. Staff will analyze assessment results from regular assessments such as IABs, Star, Wonders unit assessments, Study Sync and My Math chapter assessments to make instructional decisions. Teachers will meet weekly focusing on specific collaboration. Teachers will also utilize collaboration time to monitor the progress of African American Students, English Learners, Foster Youth, Special Education and Homeless Students. The school leadership team will meet on a regular basis to monitor and guide school-wide academic progress. These meetings will take place on Monday afternoons.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

4000

LCFF - Intervention
1000-1999: Certificated Personnel Salaries
Teacher Extra Hours
Certificated Substitutes

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to English Learners.

Strategy/Activity

Dedicated ELD instruction will be provided to EL students by classroom teachers daily in grades K-5. Students in grades 6-8 will receive one period of ELD instruction. Integrated ELD will be implemented throughout all content areas. Professional development will be provided to teachers as support in how to develop effective lessons for integrated and designated ELD through instructional practices such as scaffolding, sheltering, preview and review in addition to learning walks. This strategy will target English Learners as one of our identified ATSI student groups.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students, with an emphasis on English Learners, Foster Youth, Homeless, Special Education and African American population groups. These are identified ATSI student groups.

Strategy/Activity

An ISP (Intervention Services Provider) teacher will provide support and intervention to address the needs of identified students in Math (Identified target are low-medium). The ISP teacher will begin in December and work through May 2024. Intervention programs will be purchased for teachers. This strategy will target those subgroups identified in ATSI including Homeless, Hispanic, SED, and Students with Disabilities.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

According to 2022-2023 school and student performance data, Marshall had some grade levels grow in proficiency in ELA and Math. Gr. 6-8 had a decline in proficiency in 2022-2023 in math. In order to continue to close the gap in Language Arts and math this school year, Marshall will focus on learning targets during instruction and providing Tier One supports. In addition, the district provided a Literacy Intervention Teacher who worked with specific student groups and ability levels in Gr. K-3. During collaboration time, teachers will be analyzing data from Star, CAASPP Interim Assessment Blocks, ELD assessments, Lexia and ST Math data, as well as other assessments that will help to monitor student achievement like Zearn data. Students who are not performing will be monitored through Leadership Team meetings and student monitoring meetings. Teachers will collaborate to focus on best first instructional practices and evidence-based Tier 1 interventions, which will be provided by the classroom teacher.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Marshall was unable to secure an ISP teacher to provide interventions. Also, the amount of before and after school tutoring was limited due to not having enough staff to offer more tutoring.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Marshall has dedicated its focus this year to continuing to improve instructional practices to provide the best learning opportunities for our students. Collaboration time still continues to be a central focus as the PLC meetings were moved to Wednesdays. The Marshall leadership team continues to analyze the current data from district benchmarks and assessments to determine the direction for the 2023-2024 school year.

Marshall will continue to utilize the district-funded Literacy Intervention teachers to focus on language arts intervention in the lower grades. In addition, Marshall will allocate funding for one additional ISP teacher to focus on math intervention.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Suspension Data (ATSI indicator)	Suspension rate for 2022-2023 was 7.6%.	Continue to reduce the number of student behavior referrals and keep suspension rate at 0% growth.
Attendance Data (ATSI Indicator)	Chronic Absenteeism rate for 2022-2023 was 32%.	Chronic Absenteeism rates for 2023-2024 will decrease by 10%
Panorama Survey	<p>The Panorama survey was administered in Spring (2023)</p> <p>Grades 6-8: Engagement rate was 36% Emotion Regulation rate was 46% Sense of Belonging rate was 44%</p> <p>Grades 3-5: Emotion Regulation rate was 47% Growth Mindset rate was 63% Sense of Belonging rate was 70%</p>	<p>Grades 6-8. Engagement increase to 75% Emotion Regulation increase to 75% Sense of Belonging Increase to 75%</p> <p>Grades 3-5 Emotion Regulation increase to 75% Growth Mindset rate was 75% Sense of Belonging rate was 75%</p>

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including English Learners, Foster Youth, Homeless, Special Education and African American population groups.

Strategy/Activity

Implementation of PBIS school-wide and CHAMPS will occur in common areas. Under the guidance of our School Counselor and Outreach Specialist, CHAMPS will be fully implemented in all grade levels using all components of the program for positive behavior support. School guidelines will be established and implemented throughout campus. A safe, positive and creative culture will be provided amongst students through activities such as Spirit Weeks, Social Skills Building, LGBTQ+ Alliance, Kindness Club, Community Circles, and the Marshall Wellness Center. Student Leadership Team Meetings will occur weekly.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity

The Safety Committee will monitor the Safety Plan and make necessary revisions and updates. School wide emergency drills will be held once a month. Supplies will be replenished and updated when necessary. Inventory of appropriate safety supplies will be maintained on a yearly basis.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
1000	LCFF 1000-1999: Certificated Personnel Salaries Extra staff hours
1500	LCFF 4000-4999: Books And Supplies Safety Materials
4500	LCFF 4000-4999: Books And Supplies Materials and supplies

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students.

Strategy/Activity

Staff development on STOIC (Structured Classroom Teaching Behavioral Expectations, Observing and Supervising, Interacting Positively with Students and Correcting Fluently) will be given to teachers and Campus Assistants periodically throughout the year.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 18

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students.

Strategy/Activity

CHAMPS assemblies for all grade levels will review program structure after each vacation break and as needed throughout the year. Our goal is that all staff will deepen their implementation of the CHAMPS structure.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

CHAMPS program

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Marshall has seen a need to focus on students' social-emotional well-being, especially students coming to school with trauma. One response, in particular, that was developed by the PBIS team

was to incorporate a space where students could receive counseling and be given an alternative to recess to help with their social-emotional needs. As a result, the PBIS team, with the lead of the counselor, will facilitate and maintain the Marshall Wellness Center where students can go participate in games, activities, yoga, restorative circles, and lessons provided by the school counselor. The goal is for the students to achieve a positive self-being, engage positively with peers and staff, and have skills for self-regulation. Marshall also provides opportunities for students to be rewarded for positive behavior by providing a CHAMPS store. For the upcoming year, there is a high need to focus on both student emotion regulation and a sense of belonging.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Marshall continues to implement strategies to help strengthen the support of our students for their socio-emotional well-being. The implementation of the Panorama survey has allowed the team to target specific students with targeted interventions. Unfortunately, the Marshall Wellness Center was not accessible this school year. It is the goal to have it up and running for the 2023-2024 school year. This year, the demand for socio-emotional support was so high, it required additional services that included adding morning check-ins for students in 1st through 8th grade. In addition, some students self-advocated for small groups.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

This year, Marshall will continue to utilize the PBIS team to lead the way as we continue to monitor data and analyze the needs of our students as they roll up to higher grade levels. This will include meeting the needs of not only the TK-5 grades but also the 6-8 grades as well. Student discipline, attendance, and engagement will also be monitored and analyzed monthly to determine how PBIS can help support the needs of our students. This will target ATSI indicators of suspension rates and chronic absenteeism.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and the community are informed about district and school instructional programs and activities
To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Parent attendance in parent meetings: SSC, ELAC, PTA, Coffee with Principal, Coffee with the ORC and Counselor.	In 2022 - 2023 an average of 15 parents participated in PTA meetings. An average of 5 parents participated in ELAC meetings. An average of 10 parents participated in Coffee with the Counselor/ORC.	Attendance at PTA meetings will increase by 50%. Attendance at ELAC meetings will increase by 50%. Attendance at Coffee with Parents meetings will increase by 50%.
Parent attendance at Back to School Night.	There were 523 Parents that participated in Back to School Night.	Parent participation at back to school night will increase by 10 %.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students.

Strategy/Activity

Parents are given an overview of involvement opportunities at 1) Kindergarten Transition, 2) Middle School Orientation and 3) Back to School Night. At these meetings, the SPSA action steps, budget and expenditures are discussed and input from parents is provided. Additionally, Title I Meeting(s) are held. Parents are invited to attend either the Chat with the Principal or Coffee with the Counselor and ORC.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

As we enter the new year, we will continue to provide families with various opportunities to be part of the school community at Marshall School. School Site Council, ELAC, PTA, DHH Parent Nights, and Coffee with Parents are meetings that provide information to parents and the community. In addition to meetings, Marshall School, in coordination with PTA, provides Takeout Tuesdays in the

community to help fundraise. PTA also helps with Spring Fling which showcases the academy strand. At the beginning of the year, parents are invited to middle school orientation to learn more about middle school offerings and strand focus. Back to School Night provides an opportunity for parents and the community to learn more about our school program and interact with staff.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Back-to-School Night was held in person for the 2022-2023 school year with a positive turnout. Parent workshops provided by the counselor and ORC were held. The attendance was not what was expected. It was the same for ELAC meetings. It is Marshall's plan for the 2023 - 2024 school year to recruit more parent involvement by passing out flyers during events in person, as well as during Back-t-School night, parent/teacher conferences, and other in person events. We will continue to strengthen our parent and community engagement and find ways to ensure that our middle school families are welcomed and supported. More family engagement opportunities will be held in person like the 20 Year Anniversary held in the 2022-2023 school year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

During 2023-2024 school year, Marshall will continue to build upon family and community engagement. Family Math and Literacy nights will be scheduled, as well as a Harvest Festival. More community involvement events will be scheduled to build the Marshall Community and involve all school community members. The Marshall PTA will facilitate many events, as well as the ORC and school counselors. The goal is to hold one family event per month.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$78,613.00
Total Federal Funds Provided to the School from the LEA for CSI	\$0
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$237,034.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Amount (\$)
Title I	\$61,853.00
Title III	\$15,633.00

Subtotal of additional federal funds included for this school: \$77,486.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Amount (\$)
LCFF	\$144,537.00
LCFF - Intervention	\$15,011.00

Subtotal of state or local funds included for this school: \$159,548.00

Total of federal, state, and/or local funds for this school: \$237,034.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

Funding Source	Amount	Balance

4000-4999: Books And Supplies	Title III	3,780.00

Expenditures by Goal

Goal Number	Total Expenditures
Goal 1	168,106.00
Goal 2	55,178.00
Goal 3	13,750.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Chantal Anderson Witherspoon	Principal
Maureen Aryeetey	Classroom Teacher
Kathy Orlinsky	Classroom Teacher
Randi Culver	Classroom Teacher
Alex Salazar	Other School Staff
Xilomen Durazo	Parent or Community Member
April Luis	Parent or Community Member
Jeannete Cortez	Parent or Community Member
Brenda Pacheco Perez	Parent or Community Member
Lucy Castillo	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature	Committee or Advisory Group Name
	School Site Council
	English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on June 9, 2023.

Attested:

	Principal, Chantal Anderson Witherspoon on June 9, 2023
	SSC Chairperson, Sandy Sloan on June 9, 2023

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

[Educational Partner Involvement](#)

[Goals, Strategies, & Proposed Expenditures](#)

[Planned Strategies/Activities](#)

[Annual Review and Update](#)

[Budget Summary](#)

[Appendix A: Plan Requirements for Title I Schoolwide Programs](#)

[Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning Requirements](#)

[Appendix C: Select State and Federal Programs](#)

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**asurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.
