

Hi Coach,

My name is Jake Dilts and I am the head coach of Post University's new Women's Rugby Club, which will debut in the fall of 2020. Unlike most college clubs, Post University is treating rugby as a true D2 sport, complete with merit scholarships (\$9k+ for 2.0 or higher GPA and \$18k+ for 3.5 or higher GPA), full game day and practice kits (cleats included), access to top-of-the-line facilities, and dedicated athletic trainers for the team. Post is a growing school, which offers a wide range of majors to meet the needs of most students and promises a smaller student to teacher ratio than most universities. Along with everything Post has to offer, I personally pledge to do everything in my power to ensure student success, both on and off the field. I am determined to build a strong, well-rounded, motivated team full of female athletes who find success while at Post, as well as after graduation.

I am currently accepting film via email from interested players and parents and would be happy to attend one of your practices or a games this spring season to discuss Post University Women's Rugby with your team. I wish you and your players the best of luck this upcoming season and look forward to hearing from you.

Sincerely,

Coach Jake Dilts
