

**Subject :** Guilford College Women's Rugby - Recruiting Interest

Hope you are well, Bernie -

As we are in the process of recruiting our inaugural class, I wanted to take the time to reach out and introduce the Guilford College Women's Rugby program to you.

From a 30,000 ft. view- we are a varsity program based out of Greensboro, NC. We are also a member of NIRA and the DIII NCAA Emerging pathway.

**From a resources perspective, we offer:**

- Dedicated women's rugby locker room + laundry service
- Dedicated practice facilities (all natural grass)
- State of the art strength training facility
- Dedicated athletic training staff that attends all events (practice, home, and away).
- See our Instagram for pictures @gcwrugby

**From a financial perspective:**

- 100% of our athletes receive merit scholarships
- 100% of our athletes who file for FAFSA receive additional aid
- Guaranteed tuition for four (4) years
- The average financial aid package for first-year athletes is \$33,000
- There is no cost to apply to Guilford College

I would love to hop on a call to discuss our program and college in more detail, as well as talk about any prospective student-athletes at your program. Just let me know a few dates/times that work well for you, as well as the best number to reach you and we can get something in the books.

If you would prefer, we would appreciate you sharing this link with your athletes. This link will take them to a form to fill out that will allow us to contact them to talk about potential opportunities:
