Tentative Budget Report

Prepared by Dr. Sonali Patil, Asst Supt for Business & Operations

The Tentative Budget for the Fiscal Year 2025 will be presented to the Board for approval at the June 18th meeting. Once approved the budget is placed for public inspection on the district's website and will be on file at the district office.

The district uses School ERP Pro (formerly iVisions) as the financial system to complete ISBE required forms. The 2025 tables for upload from the financial system to ISBE forms are currently unavailable. As soon as the 2025 tables are available, the ISBE forms will be generated and posted to ensure that they are available for public inspection at least 30 days prior to the FY25 Budget Hearing scheduled for Tuesday, September 17th at 7:00 p.m

In the interim and for the June 18th tentative budget presentation, the District has provided the Budget Reports generated by the School ERP Pro software.
