

APPROVED Minutes from SBDM Thursday, August 29, 2019

Rosie welcomed attendees and gave an overview and introduction of the SBDM Committee.

Dr. Bernardino provided the Principal's Report and announced that Solar Prep for Girls received a grade of A from the State. The only B grade that we received was in "closing the gap." Last year we received an A, so really want to look at that as it is a big focus for this school.

- No comparable school in DISD; Closest school to us is in Rowlett
- We received a distinction in all areas.

Dr. Bernardino asked for input from the parents on dress code flyer and the issue of consistency with the gray skirts. The group voted and passed that the gray buckle skirts will be allowed as well as the original pleated skirt.

Dr. B passed around the Parent Compact for Feedback, those present provided their input/suggestions, Dr. B gather all information and will move forward with the compact finalization.

Re-Election, nomination for 2019-2020, Christina Crumb and Emma **Haugh** were nominated. Karen Williams, will be considered for re-election. Elections will be held on 9.26.19 during meeting.
