“World Class Scholars: Traveling the Road to Excellence!”

Hello Student(s);

I hope you have a great spring break. If in the event we are out longer than the week for our normal break time and you need any assistance, please let me know at this email address. I have also attached a google classroom code for you to send any assignments you would like to use for me to look at for you. I will be available during the regular school hours after the break. Have a great week and get some rest.

Classroom Code: hfsyfba

Sincerely
Ms. Green
