

NATIONAL MEDICAL SUPPORT NOTICE

WHAT IS A NMSN?

Also known as a QMCSO, the order serves as a notice to the employer that the employee in the order is obligated by the court to provide health care coverage for the identified child(ren).

HOW DO I INFORM DISD?

In most cases, the District is notified by the state's Attorney General's Office, but you may need to provide the district with a copy of your NMSN.

HOW DO I END THE NMSN?

For the District to remove your dependents from your coverage, you will need to obtain a NMSN Termination letter. You can get this by contacting your Attorney General's Office.
