Credit Recovery Lab Information Sheet (Fall 2017 hours)

Students must log into the computer using their ID numbers

Students must set up their own account with each website. They will need a working email account to do this. They are responsible for their own log in information

Hours must take place on campus; students are not allowed to make up seat time at home

Once done they must print out their online report to show proof of work

Below are the sites and tutorial topics. Work WILL NOT be accepted from incorrect sites

This sheet is information for making up Fall 2017 ONLY!
