My Program of Study

NOTE: Changing your Program of Study (POS) may have Financial Aid implications. Please contact your Academic Advisor for POS questions and Financial Aid for funding questions.

Step 1 - EXPLORE Programs of Study to help decide which degree or certificate is the best fit for you. You may review as many programs as you like. Once you have determined which program is best, go to step 2. Note: Not all degree plans are offered at all colleges.

Step 2 - SELECT My Program of Study. Choose the program you have decided to follow as your Program of Study. Once you have chosen your Program of Study, it is recommended that you print it for your records. This Program of Study will be your guide for the courses you should take to reach your goal of a certificate or degree. Not all degree plans are offered at all colleges. **NOTE:** Changing your Program of Study (POS) may have Financial Aid implications. Please contact your Academic Advisor for POS questions and Financial Aid for funding questions.

Step 3 - VIEW/PRINT your Program of Study is a resource to help you stay on track toward your education goals. It is recommended that you print your Program of Study for your records. Use your Program of Study when planning your schedule each semester and take it with you each time you meet with an advisor.

Step 4 - NEXT STEPS Learn more information on completion of your [Program of Study](#), graduation, and participation in the graduation ceremony.
