# of Pride

*Alex Sanger Elementary/Preparatory Middle School is a proud member of the Bryan Adams High School Feeder Pattern!*

## DID YOU KNOW?

The Bryan Adams High School Collegiate Academy offers students a tuition-free opportunity to earn a high school diploma and up to 60 college credit hours or an associate degree in four years. In partnership with Eastfield College, Bryan Adams Collegiate Academy allows students to explore a variety of careers in the field of education. With a curriculum focused on innovative instructional practices and classroom pedagogy, students will develop the skills and gain the experience necessary to shape the minds of generations to come. This program equips your aspiring educator to excel in an Early Childhood Education pathway, with the possibility of earning an Associate of Arts in Teaching.

# Where quality instruction makes the difference!

Alex Sanger Elementary School offers a premier learning environment for students to grow during the early and intermediate years of their education. Located in the beautiful Forest Hills neighborhood of East Dallas, our school is a crossroads where campus staff, parents and community members meet to partner in support of our students. A leader in early childhood education, Sanger Elementary boasts a vibrant prekindergarten program that serves as a model for Dallas ISD.

## TWO-WAY DUAL LANGUAGE AT ALEX SANGER ELEMENTARY / PREPARATORY MIDDLE SCHOOL

At Sanger Elementary, we are pleased to offer the Two-Way Dual-Language Program. We work closely with the Dallas ISD World Languages and Bilingual ESL Departments to ensure the best possible bicultural, bi-literate and bilingual opportunities during instruction.

The dual-language program features content instruction in Spanish in reading, social studies and math as part of our curriculum. Our goal is to prepare students to be bilingual, bicultural, bi-literate and to graduate college- and career-ready in a global and competitive economy.

### Program Outcomes

- Students develop high academic and linguistic proficiency levels in two languages
- The program fosters positive cross-cultural attitudes among students
- The program produces higher student achievement outcomes
- Students become bilingual, bi-literate and bicultural

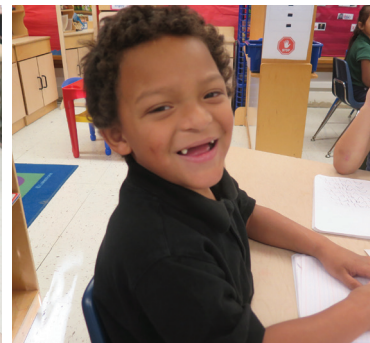

### The Benefits

- Strengthens intergroup relationships and honor the multiple cultures and languages in a community
- Prepares students with 21st century skills that will benefit them in the labor market and the global society
- Encourages students to expand their knowledge of other world languages
- Certifies attainment of bi-literacy skills
- Recognizes the value of language diversity
