Discount GoPass® Tap Card Application Process While DARTmart is Closed

Half-price fares are available to qualified individuals through the Discount GoPass Program. If you qualify, but you have not yet been certified as eligible, please follow these steps to obtain a reduced-fare GoPass Tap card until DARTmart reopens.

Obtain a regular (yellow) GoPass Tap card at 7-Eleven or another participating retailer. Keep your receipt for any GoPass Tap card purchased March 29, 2020, or later. A list of retail locations is available at [GoPass.org](https://www.gopass.org).

Register your card on [GoPass.org](https://www.gopass.org). DART can only apply a discount to a registered card.

Call DART Customer Service at 214-979-1111, Option 1, and tell the agent you qualify for the Discount GoPass Tap card. Give the agent the 13-digit card number on the back of your yellow card. DART will apply a temporary half-price discount to that card. This discounted fare will expire Dec. 31, 2020.

When DARTmart reopens, you must bring your yellow GoPass Tap card and proof of participation in one of the approved assistance programs. Once your eligibility is verified, DARTmart staff will issue a new white Discount GoPass Tap card and transfer money from your old yellow card to your new white card.

Please follow this temporary discount application process until DARTmart reopens.

Additional information and program updates are posted online on the [DART.org/TapForHalf](https://www.dart.org/TapForHalf) webpage. If you have any questions about the Discount GoPass Tap Card Program, please email us at TapForHalf@dart.org.
