

HOW TO CREATE A POWERSCHOOL ACCOUNT

The screenshot shows the PowerSchool SIS login page for Dallas Independent School District. It features a 'Student Sign In' section with a 'Student Sign In' button. Below that is a 'Parent Sign In' section with 'Sign In' and 'Create Account' tabs. A red arrow points to the 'Create Account' tab. Underneath is a 'Create an Account' section with a 'Create Account' button, also indicated by a red arrow. The page includes a copyright notice at the bottom: 'Copyright © 2005-2020 PowerSchool Group LLC and/or its affiliate(s). All rights reserved. All trademarks are either owned or licensed by PowerSchool Group LLC and/or its affiliates.'

1. Visit: dallasid.powerschool.com/public
2. Click on the Create Account Tab
3. Click on the blue Create Account Button

The screenshot shows the 'Create Parent Account' form. It has a 'Parent Account Details' section with a red arrow pointing down to the form fields. The fields include: First Name, Last Name, Email, Desired Username, Password (split into two boxes), and Re-enter Password. A note at the bottom states: 'Password must: *Be at least 8 characters long'.

4. Enter your information.
On this step you will create the username and password for the account.

HOW TO CREATE A POWERSCHOOL ACCOUNT

Link Students to Account

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account

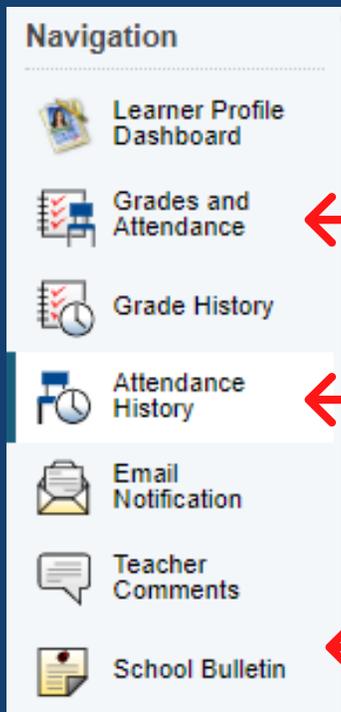

1

Student Name	<input type="text"/>
Access ID	<input type="text"/>
Access Password	<input type="password"/>
Relationship	-- Choose 

5. Insert the student's name.

6. You will need to request the Access ID and Password at your child's school to complete the account set up. Enter each Password on the pertinent box.

7. Indicate your relationship with the student.

You will be able to see the students Grades and Attendance.

You will be able to see the students Attendance.

You will be able to see School Announcements.
