

MHS SCREENER QUESTIONS DURING REMOTE LEARNING

Please use these screener questions to gather details and screen for risk of suicide.

- “How can I help?”
- “Is your child safe?”
- “Where is he/she now?”
- “What’s happening now?”
- “How does she/he plan to hurt themselves?”
- “What are their plans?”
- “What are their triggers?”
- “Does he/she have a history of suicidal thoughts?”
- “Are they on meds?”
- “Are they special needs?”
- “Are they already being seen by a mental health professional?”
- “What services have been provided in the past?”
- “How long have they been sad, depressed?”
- “What has helped in the past?”
- “Does he/she have thoughts of hurting themselves right now?”
