

TRAINING LEADER

RTWPEOPLE.COM

Who is **READYTOWORK® (RTW)**?

RTW was created in 2006 as an internal resource for On-Target Supplies & Logistics, Ltd. to develop, grow and expand a company of well-trained, highly motivated individuals. Since inception, RTW recognized the employment challenges faced by many employers and the broader need to develop a “ready workforce” to meet local industry needs. RTW engages with local and regional workforce development professionals, educators and employers to bridge the gap between workforce opportunities and readiness.

Why **READYTOWORK®**?

We’re committed to educating and training young adults and career-minded people. Our mission is to produce a learning experience that supports the development of people, organizations and communities.

OUR **CAPABILITIES**

- Industry Certifications
- Workforce Readiness Training (financial literacy, internships)
- Post-Secondary Transitioning Services (job coaching, job shadowing, interviews)
- Professional Development (job search, resumes, dress for success)
- Workplace Compliance

VALUE

Develop people for careers in a variety of industries including logistics, healthcare, utilities, constructions, telecommunication and technology.
