

FAMILY

At Haynes Global Prep we know it takes a village to raise a child. That is why we strongly encourage parents and families to get involved through the Parent Teacher Organization and the Site Based Decision Making committee. We not only offer several ways for parents to support their children, but also host community events to engage all members of the school community.

POSSIBILITIES

To ensure school is enriching and exciting for scholars, Haynes Global Prep offers plenty of fun extracurricular activities. From robotics, chess, Esports, debate, Hacking Innovations, Pipeline to Possibilities, and Dallas Symphony Orchestra's Young Musicians, HGP students have a variety of opportunities to explore different interests, build leadership skills, and learn the importance of teamwork.

COMMUNITY

The support of community partners is what drives the mission of Haynes Global Prep. As members of the Southern Dallas community, we aim to establish mutual partnerships with local businesses and organizations to ensure that our scholars receive access to mentorship and internship opportunities. We also believe our partners are valuable in ensuring our students receive a holistic educational and social experience.
