Come prepared to class with your Laptops, notebooks, writing utensils, & interactive notebook supplies.

PAPER PROJECTS	TESTS AND QUIZZES	Banfield Hours	BELL RINGERS AND DAILY WORK	PARTICIPATION

## FOOD AND DRINK POLICY

In general, food and drinks are allowed in my classroom. This is contingent on it not becoming a distraction in class, and as long as students can handle the responsibility. This policy is subject to change at my discretion, and at any time.

## ASSIGNMENT FORMATTING

All typed assignments must be in **12 PT TIMES NEW ROMAN FONT**, double-spaced, and have 1" margins with your name, class period, and date in the top left corner with a centered title.

Ms. Galloway has computers in her classroom for students to use to for classroom use. .

## HOMEWORK POLICY

Most work will be able to be completed in class if students use their time wisely. The exception to this would be typed essays. Some work may need to be done outside of classes to finish writing and/or typing final paper.

If students do not complete work during class, in the time allotted, it will be assigned as homework so students can adhere to the determined deadlines.

## ABSENCES AND GRADES

Weekly and daily work will be updated weekly (bell ringers, participation, and quizzes). Please check grades regularly and feel free to ask me any questions that you might have about a particular grade.

If you are absent, you are responsible for completing your make-up work (one day for make-up for each day absent).

All make-up work will be placed in your classes absent folder and your name will be written on any work you missed. It is your responsibility to ask a classmate or me for help on making up any interactive notebook assignments (you can always borrow my notebook), and/or to meet with Ms. Galloway to make up any tests, quizzes or papers.

If you know you are going to be absent beforehand, you should ask me for your make-up work before the absence.

This can be done before or after school or via e-mail.

## ELECTRONIC DEVICES

Electronic devices should be kept in students backpacks. Devices should not be out during class, unless otherwise instructed by the teacher or with permission.

First offense: Student will turn the phone into the teacher until the end of class.

Second offense: Student will turn the phone into the teacher until the end of day.

Third offense: Phone will be turned into office and parents will have to pick up the device from the office.
