## Leadership & Character Development

### "A Picture Is Worth A Thousand Words"

These pictures speak volume. It was such an honor to have our P-Tech Scholars serve and be a part of this event. We are forever thankful to our guest speakers and Microsoft for exposing our Juniors, Seniors, ROTC and our guest to what it means to develop Leadership, Character and Integrity. Closing out the program several students were given time to come down front for Q&A in which the speakers shared with our audience. After the event we hosted a reception where students had the opportunity to get up close and personal and ask questions one-on-one.
