ENDORSEMENT PATHWAYS (CAREER INSTITUTE EAST)

CI courses are **not on Woodrow Wilson's campus**. Students are bussed to the CI campus during school hours. For CI courses, you will take **2 credits (2 courses) on their campus**. In parentheses, it states the number of credits a course is worth. Please make sure to select 2 credits (1 program specific course and 1 elective) in the area of study you are interested in. For example, if you want to do Interior Design for the first time, you must select Principles of Architecture AND one of the electives under the electives column since they are worth 1 credit each. If you want to take Construction Tech I, you will only need to select that course as it is worth 2 credits.
