Parent/Guardian Involvement Policy
2023-2024

"We Can and We Will"

School's Responsibilities:

- Parents/Guardians will be treated in a professional, courteous manner when communicating with school staff.
- Parents/Guardians will be notified of school events through flyers, phone system, campus website, and marquee
 - Campus-wide communication will be shared in both English and Spanish.
- The school will offer a Parent Center and Parent Teacher Association or other parent program to maximize parent/guardian participation.
- Parent Portal will be available for all parents/guardians. Computers and assistance will be available during school hours, or appointments may be scheduled for after school hours.
- Teachers will notify parents/guardians of individual student progress through the use of Parent Portal, Student Progress Reports and Parent Conferences.
 - The school will provide a safe learning environment that will enhance student achievement.
 - The school invites the parents/guardians to participate in the school's decision-making processes through involvement in various committees.
 - The school counselors will provide parents/guardians with information concerning college/career readiness and family counseling resources.
- The staff will provide opportunities for families to engage in learning/events by providing Family Nights that are fun and educational events i.e. Content Night, Winter Showcase, Community Night Out, etc.

"Excellence Without Exception!!!"
