Solving your challenges.
Simplifying your life.

Key Community Partners and Programming to Support Students

- Prevention First, 1N5, Talbert House, and Perceptions Counseling serve as partners in the support of our students.
- Norwood Police Department serve as partners in the area of safety.
- Hamilton County Educational Service Center (HCEC) serve as partners in instructional support, OT/PT and speech.

PreventionFIRST! Has a mission to implement best practice strategies to reduce the risk of behavioral health disorders and to work with communities to apply prevention strategies in every stage of life.

Engage with local coalitions and individuals

Help people find their role in prevention

Decisions/programs based on data and need

Long-term, lasting resource for the community

Mental health is a national issue that impacts people of all ages, demographics and income. The facts on mental health conditions in our country are astounding. 1N5 is focused on making a difference on how we talk about mental health. 1N5's goal is to erase the stigma surrounding mental illness and promote optimal mental wellness.

Building a Stronger Community...
One Life at a Time.

Perceptions Counseling Solutions
Change Your Thinking, Change Your Life!

Both agencies provide private mental health support services for students.
Therapists are in each of our buildings throughout the week.
