RE: New Jersey Mandated Anti-Bullying Bill of Rights Training

The laws concerning anti-bullying in our schools require all persons who have contact with students to be trained in the New Jersey Anti-Bullying Bill of Rights. The training must be completed prior to working in the district. Below you will find the link to complete the training on line.

You may log onto [www.gcctraining.com](http://www.gcctraining.com) to be your training at any time. If you are a new user to GCN, you will be prompted to enter your information. For returning users, please enter your current login credentials. **The organization ID for Lawrence Township Public School District is 54189sub.**

After you complete the tutorial, you will return to the homepage to print your **Certificate of Completion**. You must submit the certificate of completion, volunteer form signed by the building principal, statement of confidentiality and most recent TB test (no more than 6 months old and if you are in the schools more than 20 hours per week) to the Personnel office before you can volunteer. Upon receipt of required documents, you will be board approved.

Please do not hesitate to contact me with any questions and thank you for volunteering for the Lawrence Township Public School District.
