2024•2025 Calendar

Dear Friends and Fellow Members of the Wyoming Community,

Welcome to school year 24-25! We extend a warm welcome from the Wyoming Board of Education. Our school district is excited to invite all parents and community members to engage in the various activities and events that shape our vibrant district. From the Homecoming Parade and fall sports, to student performances and presentations, to community forums and informative meetings, there are numerous opportunities for you to participate and support our students.

Throughout the year, we will continue to expand our event offerings. Stay updated on the latest happenings by visiting our online calendar at www.wyomingcityschools.org.

Our key focus this year will be the development of new primary school facilities. Building upgrades are essential to enhance accessibility, safety, and the overall educational experience for our students. Our commitment remains rooted in providing innovative educational opportunities that nurture academic growth and personal development. To learn more about our plans for the primary facilities, please visit www.wyomingcityschools.org/wcsfor-community/wps-facilities.

We urge you to play an active role in our school community and join us on this journey of growth and progress.

Thank you for your unwavering support for Wyoming City Schools.

Warm regards,
