

# TOP 10 FEATURES IN MICROSOFT EDGE

Try the new Microsoft Edge! It is full of great features to help with teaching and learning! Check out the top 10 features built into Edge...then click the links at the bottom for more info!

- 1 VERTICAL TABS!**   
Keep your browsing tabs to the left of your screen instead of viewing them at the top!
- 2 READ ALOUD AND IMMERSIVE READER!**   
Unleash the power of immersive reader and the translate features simply by highlighting text on web pages!
- 3 QR CODE GENERATOR!**   
Generate QR codes of online web pages, online presentations and more with this great feature!
- 4 COLLECTIONS!**   
Save anything on the web! Use Collections to save content for later—an image, text, or a full web page—directly in the browser.
- 5 WEB CAPTURE!**   
Take screenshots of web pages, annotate/draw on them, then save them as images!
- 6 PROFILES!**   
Manage multiple accounts, keeping your personal and professional lives separate!
- 7 PRIVACY AND TRACKING SETTINGS!**   
Manage your privacy settings to keep your browsing sessions safe and secure.
- 8 PDF READ-ALoud AND DRAW/ANNOTATE!**   
Edge has a built-in PDF read-aloud feature—great for students! Teachers can use the draw feature for pointing out details to students.
- 9 SYNC ACROSS MULTIPLE DEVICES!**   
Microsoft Edge can sync your history, favorites, passwords, and other browser data across all your signed-in devices.
- 10 GO DARK WITH DARK MODE!**   
Make your browser easy on the eyes by changing your settings to dark mode!
