

Dallas Independent School District has partnered with GreenLight Credentials to provide our students with instant access to their transcripts and other academic credentials!

What Does This Mean for You?

Whether you need to send an official transcript electronically or print an unofficial copy for your own records, you'll be able to request and access your official transcript from GreenLightLocker.com instantly, and from anywhere (as long as you have an internet connection).

- NOTE: If you have already have an account on GreenLightLocker.com (maybe you are taking dual credit courses at Dallas College, formerly DCCCD), then there is no need to create another account on GreenLightLocker.com.
 1. Log into your account and navigate to your profile by clicking on your name in the top right corner.
 2. Click on "Claim Credentials" and paste your DISD provided GreenLight enrollment code. Then press the "Verify & Add" button. You will now see your DISD transcript in your locker.
- If you do not have an account on GreenLightLocker.com, you must register on the GreenLightLocker.com website to access your transcripts.
- To set up a GreenLight profile:
 1. Obtain your GreenLight enrollment code from the [GreenLight Student Enrollment Code Lookup](#)
 2. Access [GreenLightLocker.com](#) and click on Register
 3. Paste your Enrollment Code, type your date of birth and last name, then press "Validate."
 4. Follow the remaining prompts to finish setting up your profile.
- If you are under the age of 18, you will require your parent approval before you can send transcripts to educational institutions or others.
- After you have registered on [GreenLightLocker.com](#), ask your parent or guardian to also register on [GreenLightLocker.com](#) by selecting "I'm a parent/guardian" checkbox on the GreenLight registration page. The same enrollment code must be used by the parent to register themselves.
