## Welcome to Education! - Orientation

**General: August 17, 2022**

Once you have been accepted in the program, you will participate in an overview of next steps in your educational journey.

4

## Phase I: Content Test Prep & 30 hours of Observations

**General: August 18 - October 28, 2022 (Face to Face/ virtual option for out of state candidates)**

Candidates will participate in content test preparation and guidance for the TExES content exam and will be required to attend Content Study group sessions for test preparation support. During this time candidates will complete the 30 hours of Observations.

5

## Phase II: Pre-Service Training

**November 7 - December 8, 2022**

Offering: Evening Training

Delivery: Virtual

Teacher candidates will engage in a rigorous, research based pre-service training curriculum. This curriculum encompasses 4 essential skills that will give first year teachers the foundations for a strong start. Coursework is continually updated to provide the most relevant and effective classroom preparation. During this time teacher candidates will be closely monitored through performance benchmarks, to determine classroom readiness.

6

## Phase III: Internship

**January 2023 - January 2024**

During this time, candidates will transition into a year long paid internship, as a teacher of record. Interns will be assigned a field-facilitator and campus based mentor who will provide coaching and feedback. In addition, interns will complete 300 hours of coursework.
