

What is something you TREASURE at Atwell? (Something about the current school you would like to keep.)

Top

	5		The open space in the middle of the school. I would love to see a sitting area, garden, etc.
	2		Having a building with multiple floors gives us the opportunity to separate the grade levels.
	1		I love our current auditorium and courtyards.
	1		-Courtyards
	-1		Main office location

What is something you WISH the school had? (existing school doesn't have but want)

Top

3	Entrance into the building with limited movement
3	SEL (calming spaces)
3	Garden area
3	flexible seating
3	outdoor seating
2	A more modern exterior design
2	Open areas for flexible classroom environments
2	Garage doors/access to outdoor learning
2	Garden for growing and for experience
2	Counseling suite with conference and SEL calming room
■ 1	Open seating areas throughout the school
1	Greater access to technology
1	A main building with appendages that allow the designations of grade levels as well as special populations.
■ 0	Classrooms with large windows as walls
■ 0	Live animal area for science and agricultural area.
0	Outside areas that protect the students from inclement weather (rain, possible snow, hail, etc) before/after school..
0	outdoor learning spaces
0	Garden
0	During
■ -1	common areas

What would you like to TRASH? (something you have at at the existing school but don't want)

Top

2		Classrooms and/or office spaces that do not have windows.
2		Classrooms that are not equipped with adequate electrical outlets for technology.
2		Small Lunchroom
2		Portables, small gyms
2		Portables.
1		The trash area is too close to the building and creates noise. The smell interferes as well.
1		Small size of the music dept/ rooms..
1		The cafeteria is too small and not flexible.
1		The auditorium is not large enough and the seating is not visitor friendly.
0		Old fashion auditorium
0		The power outlets and network infrastructure is poor.
0		The location of the courtyard. The middle area makes the building awkward.

What is something you FEAR? (Something the current school doesn't have that you don't want.)

Top

1	■	Not having a secure parking lot
1	■	An eyesore in the community.
1	■	Neighbors disliking the building
0		open cafeteria

What are your "B.I.G." ideas for the future of this school? (Bold, Innovative, Generational)

Top

3		Open learning areas...
3		Phones in classroom
3		Football Field
3		Community Track and Soccer Field
3		Parent Engagement Center and Reception Center
3		"Town Hall" meetings for community and principal, etc WITH translator
2		Meeting and conference rooms throughout the building
2		Community communication and collaboration
2		Dance studio
2		Library with class and work rooms
2		Library with private study rooms
1		Music studio
1		Weight room
1		Art and design room
1		Sustainability through outdoor teaching spaces
1		Flexible facility for future technology
