# Takeaways from Charrette #1

- Opportunities to “be green”
- Celebrate the history of the campus
- Design a model school for career exploration

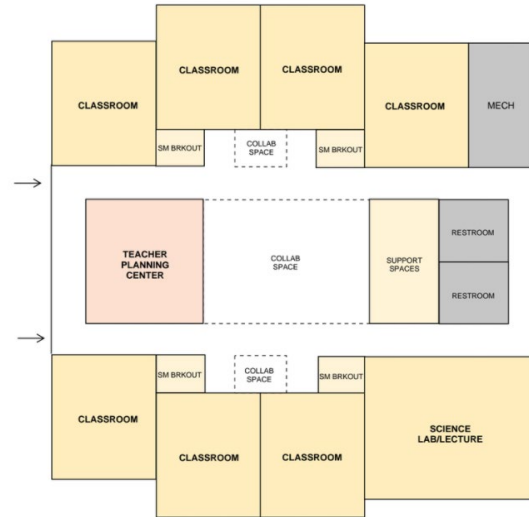

# Takeaways from Charrette #2

- Blend of classical and contemporary building elements
- Strategic use of glass to create openness while taking care of safety / security concerns
- Desire collaboration outside of the classroom
- Desire natural light + outdoor learning
- Engage green concepts within career pathways

# Takeaways from Visioning Sessions

- Exploration of "House" configuration
- Exploration of types of CTE
- Discussion of programmatic needs
- Conceptual diagramming of building

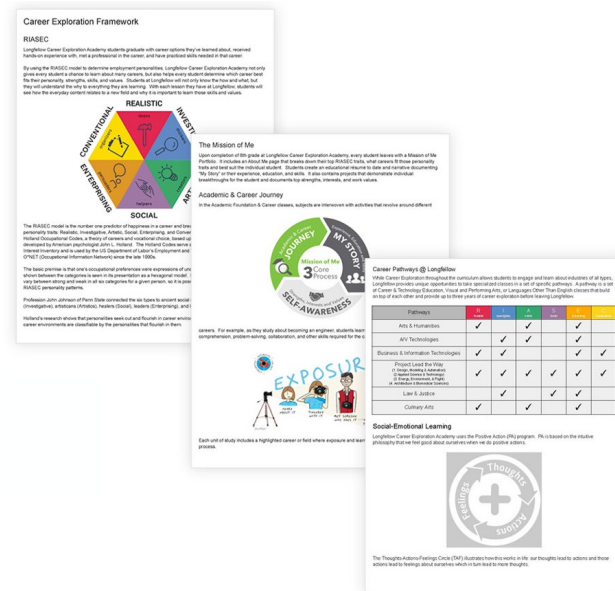

# Stakeholder Engagement Game Plan

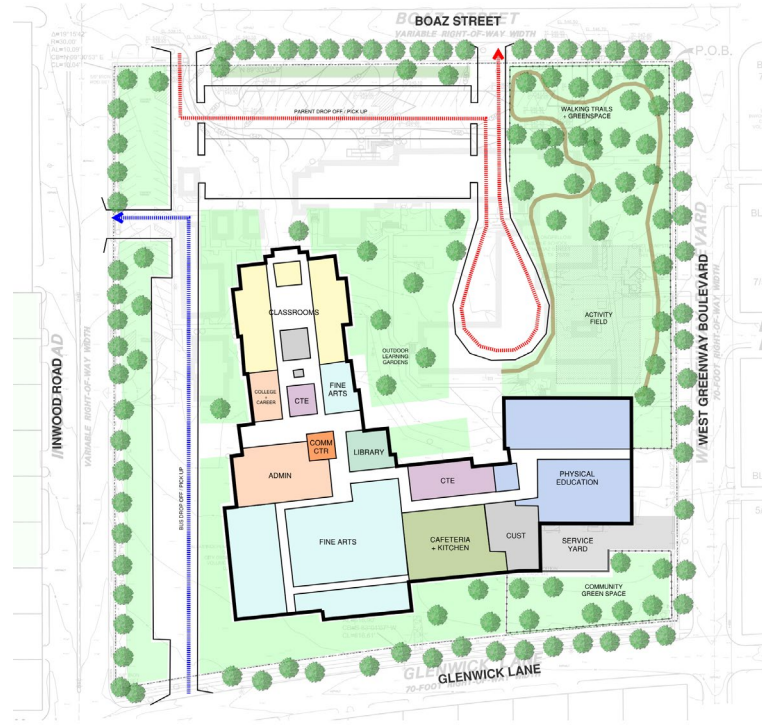

- 06/17: 1<sup>st</sup> Community Meeting, Virtual
- 08/19: 2<sup>nd</sup> Community Meeting, Virtual
- 09/07: Architecture team toured HW Longfellow campus
- 09/16: Visioning meeting w/ HWL CEA staff
- CTE + Fine Arts visioning
  - House exploration
- 09/23: 2<sup>nd</sup> Visioning meeting w/ HWL CEA staff
- Educational Delivery (House concept review, general adjacency discussion, safety and security discussion)
- 09/30: 3<sup>rd</sup> Visioning meeting w/ HWL CEA staff
- Programming Discussions
    - Library and Maker Space
    - Admin Offices
    - Common Spaces
    - Community Spaces
    - CTE labs
    - Outdoor Education

- Food Service and Dining
- Physical Education + Athletics
- Fine Arts
- Classroom and Lab Spaces
- Special Education needs

Spring 2024: TCO  
Fall 2024: Start of School

# Site Plan

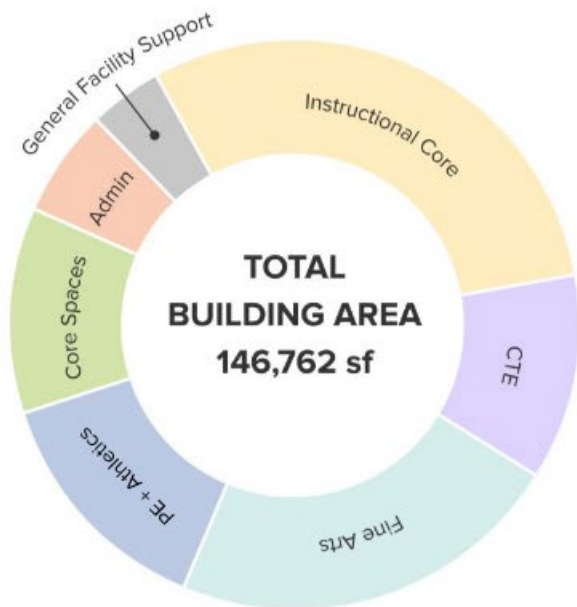

# Program Summary

# Program Summary

## Instructional Core | 44,518 sf
