MORE THAN ARCHITECTS

Takeaways from Charrette #1

- Opportunities to “be green”
- Celebrate the history of the campus
- Design a model school for career exploration

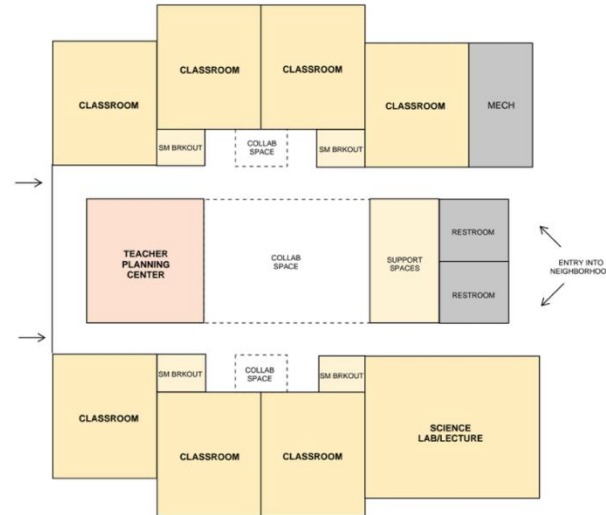

Takeaways from Charrette #2

- Blend of classical and contemporary building elements
- Strategic use of glass to create openness while taking care of safety / security concerns
- Desire collaboration outside of the classroom
- Desire natural light + outdoor learning
- Engage green concepts within career pathways

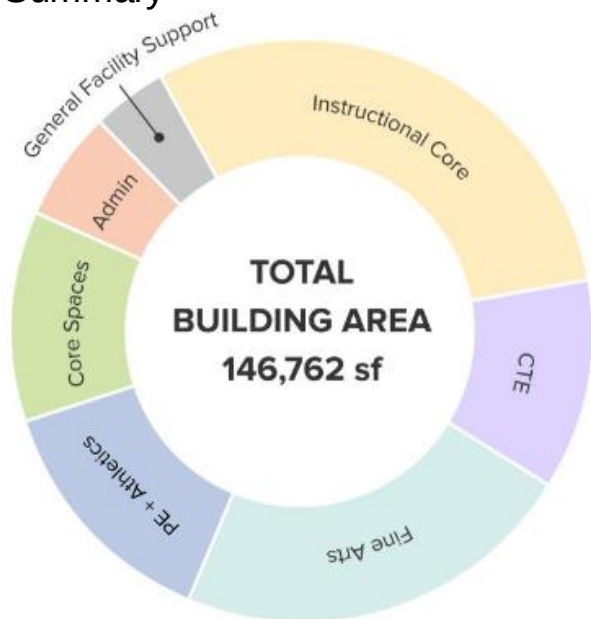

Takeaways from Charrette #3

- Exploration of "House" configuration
- Exploration of types of CTE
- Discussion of programmatic needs
- Conceptual diagramming of building

Takeaways from Charrette #4

Program Summary

Instructional Core | 44,518 sf

- 6th Grade House
- 7th Grade House
- 8th Grade House
- SPED Support Rooms

Career & Technical Education | 17,258 sf

- Career & College Readiness Classroom
- Business Info & Technology Lab
- Law & Justice Lab
- Project Lead the Way Center
- Culinary Arts Center
- Arts & A/V Technology Center

Fine Arts | 32,920 sf

- Band Hall
- Dance Studio
- Art Lab
- Theater Arts - Black Box
- Auditorium with seating for 700, stage with full fly loft

Physical Education + Athletics | 20,020 sf

- Gym with bleacher seating for 300
- Multipurpose Activity Room
- Locker Rooms

Core Spaces | 17,153 sf

- Library
- Dining
- Kitchen
- Family Community Center

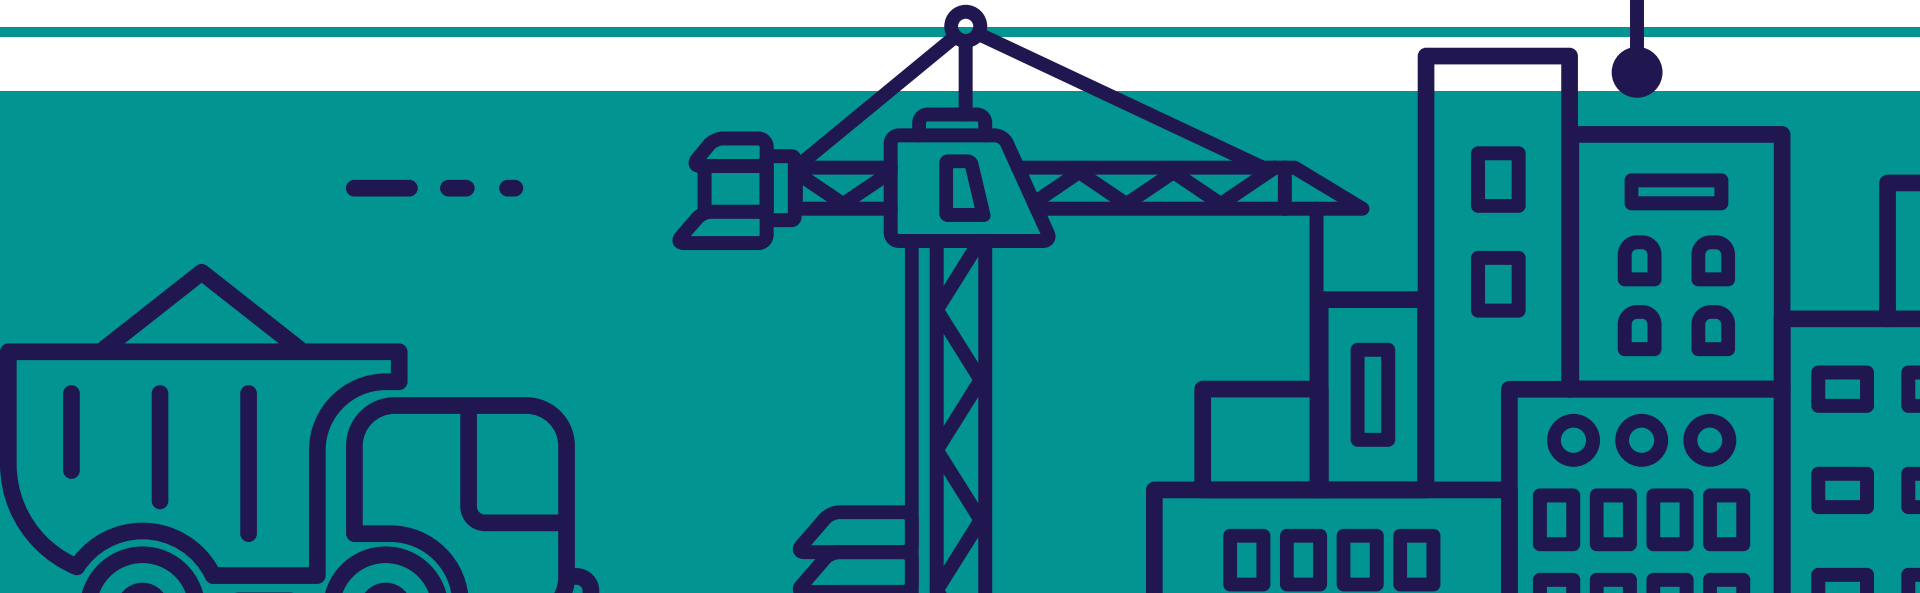

Administration | 9,108 sf

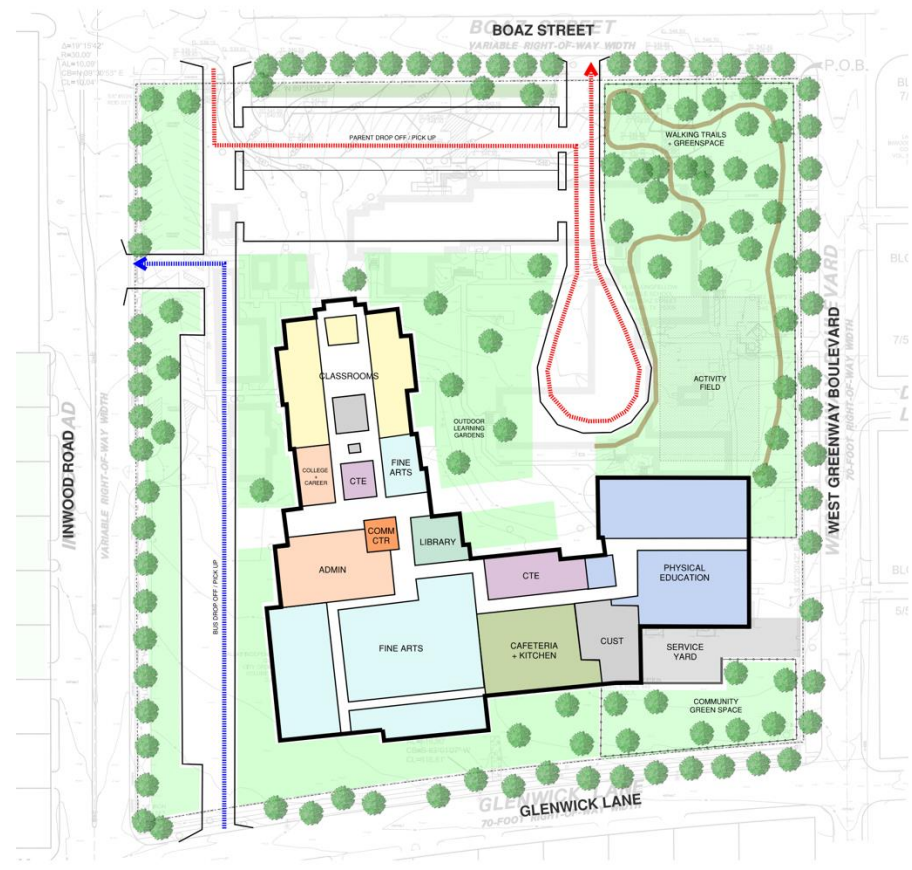

- Controlled Entry Vestibule
- Offices
- Counseling Center
- Clinic

General Facility Support | 5,785 sf

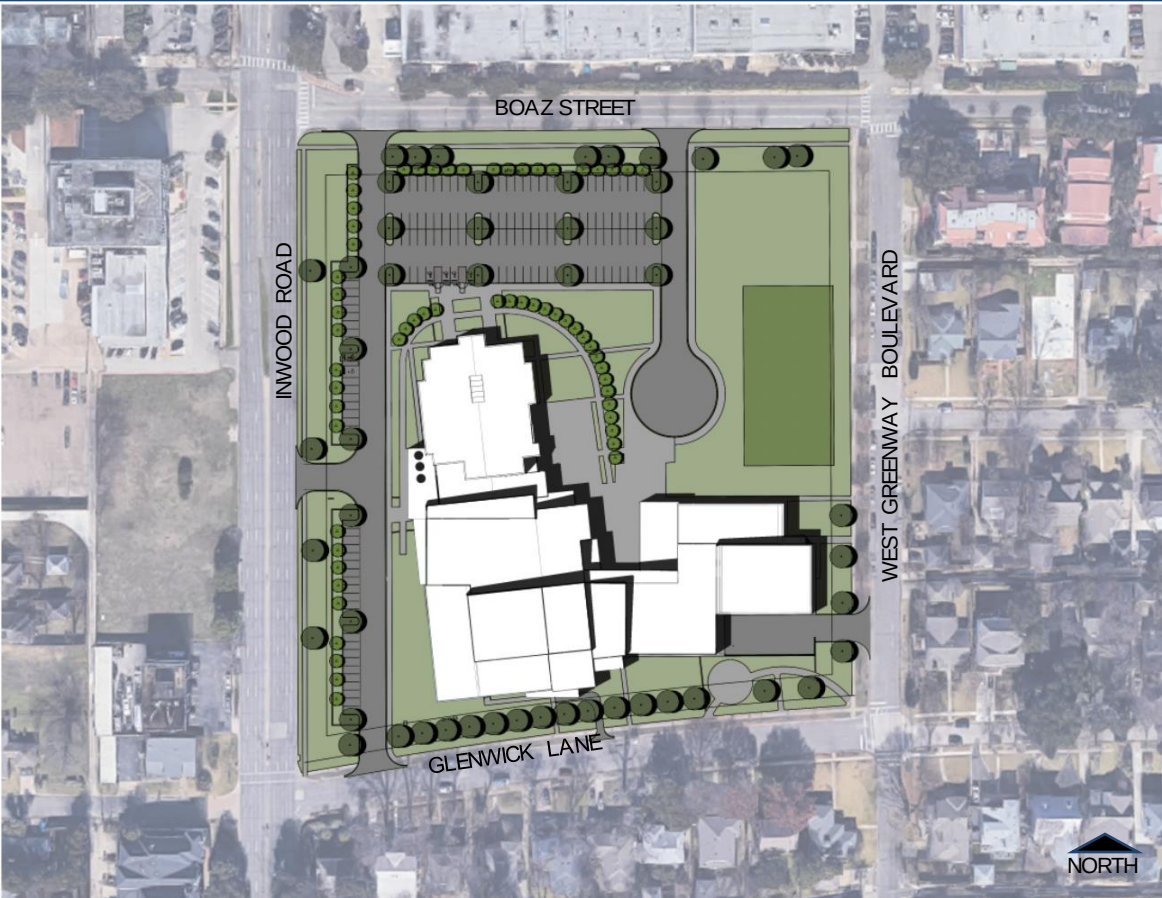

- Vertical Circulation
- Mech/Elec/Data Rooms
- Central Receiving

Renderings

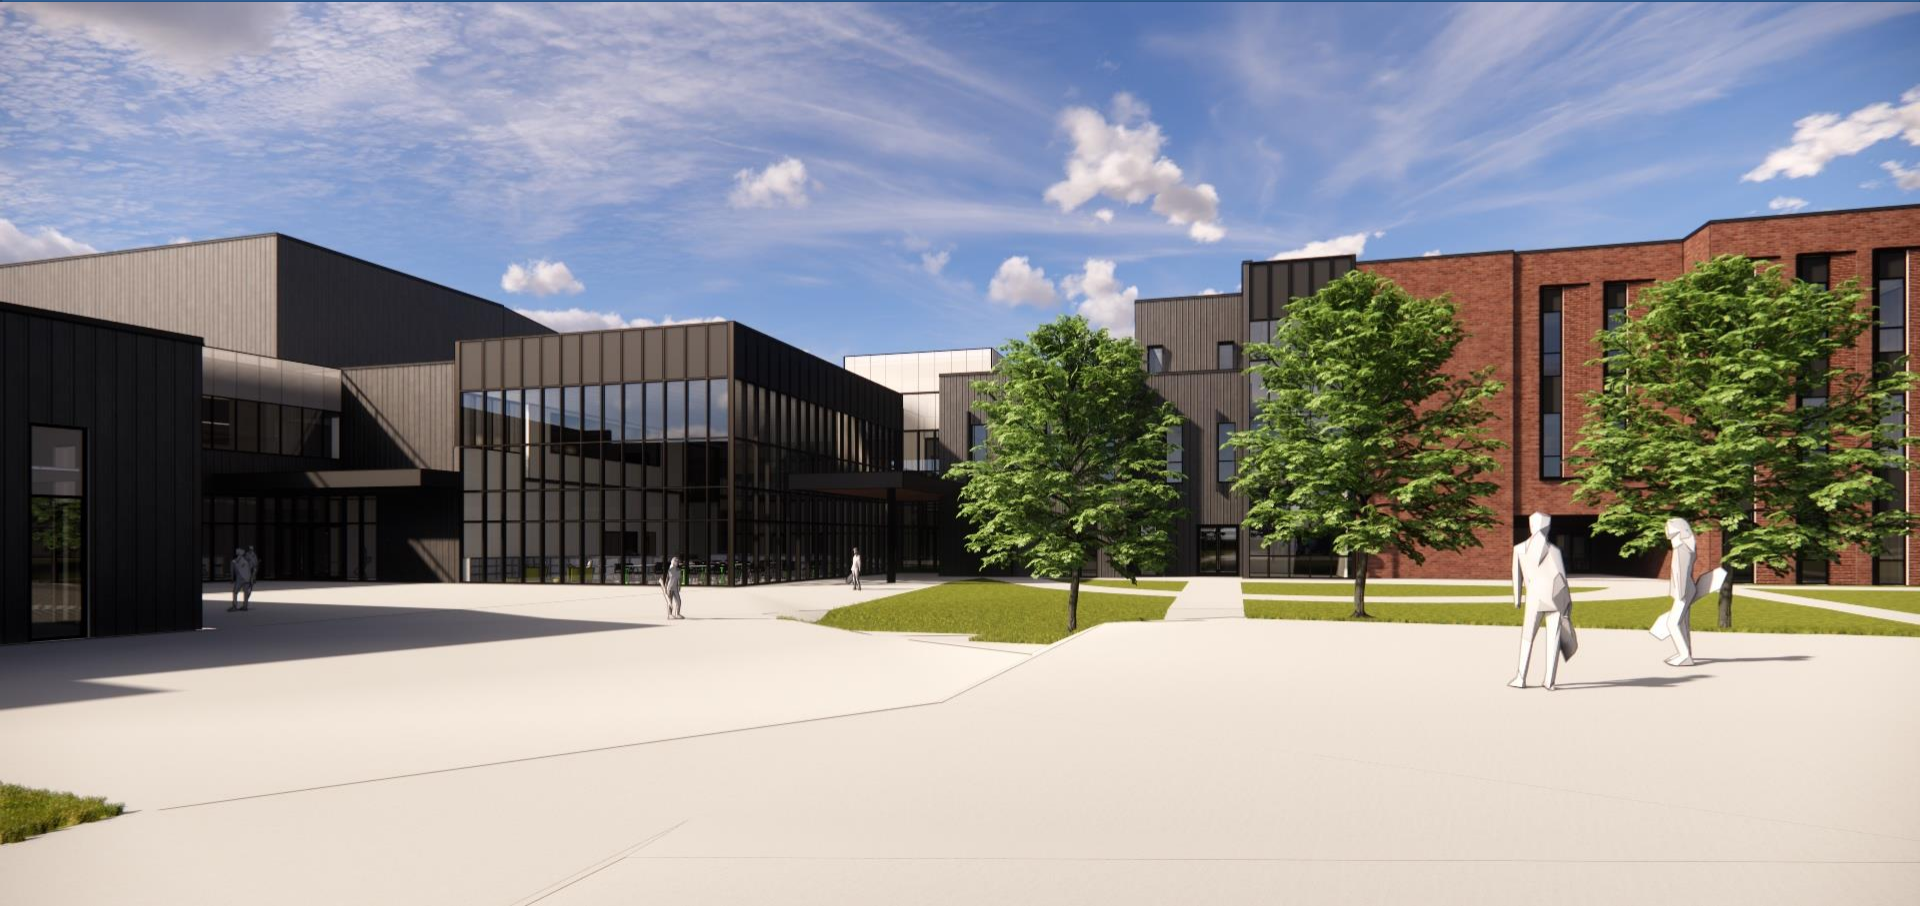

Main Entrance

An architectural rendering of a modern school building. The building features a mix of brick, wood slat siding, and large glass windows. A prominent overhang with circular light fixtures covers a walkway on the left. A central entrance with glass doors is reached via a set of stairs. The foreground shows a green lawn and a paved path. The text "NOW FOR A TOUR" is overlaid in large, bold, black letters.

NOW FOR A TOUR

Thank you!
