BOOKER T. WASHINGTON
High School For The Performing And Visual Arts

Identification Procedure

Staff, parents, guests, visitors and students you must wear an ID badge while on campus. Parents need to get a badge at the information desk. It must be visible on your person not in your pocket, wallet, purse, etc. If you need a clip or lanyard, you may get one from room 116. Students must have a badge on when entering through the metal detector. Replacement badges are available in room 116. You have 2 weeks from the beginning of school to get a replacement, if you have lost it. After 2 weeks you will be stopped at the door and asked for a badge. If you do not have a badge you will be sold a temporary badge for $1 or you will be asked to serve a detention for not having one. Wearing a badge is a safety issue and we will comply with the District's rule.

The DISD Policy on badges:

ID Badges
Secondary students will be required to wear ID badges at all times. The first ID badge will be issued to the student at no charge. There will be a $5.00 fee charged for each lost or damaged ID badge. A temporary badge will be provided until the replacement badge is issued. Lanyards will be available for students to purchase. Badges are considered a part of the student dress code. Consequently, failure to wear a badge is a Level I Offense.
