How to Open Oracle Forms in Google Chrome:

The following describes launching the Forms application with Java Web Start using Edge.

1. Open your Chrome web browser.

2. Log in to Oracle E-Business Suite.

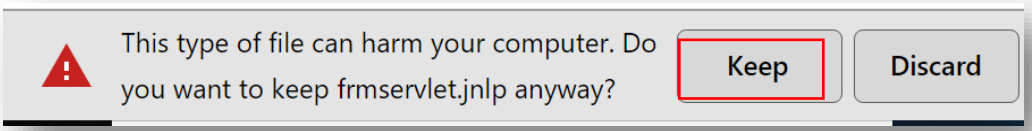

3. Choose a responsibility (such as DISD Campus.Org Inquiry and Reports).

4. Click on an Oracle Forms based menu item (for example, Account Inquiry) to initiate the download of frmservlet . jnlp.

5. Chrome displays the following message: "This type of file can harm your computer. Do you want to keep frmservlet.jnlp anyway?"

6. Click **Keep** to save the frmservlet.jnlp file
7. Click the frmservlet.jnlp file in the download bar to execute it.

8. The Forms application is now started with Java Web Start.
