

# SCHOOL-BASED TELEHEALTH'S GUIDE TO HELPING YOU FIGHT THE FLU

**IF YOUR CHILD HAS THESE SYMPTOMS AT SCHOOL, YOUR SCHOOL NURSE CAN TEST FOR THE FLU.**

**Complete your consent form**

Fill out the online consent form at [childrens.com/schools](https://childrens.com/schools) or ask your school nurse for a paper consent form.

**Visit the school nurse**

The school nurse will make an appointment for your child to virtually see a pediatrician or pediatric nurse practitioner from the school nurse office.

**Receive medication**

If necessary, prescription medication will be sent directly to your pharmacy.

**The best defense against the flu is vaccination.**
