## The Panther's Growl

Dear Parents:

As we approach the Thanksgiving holiday, it is imperative to take the time to show appreciation!!

I am thankful to have an excellent faculty and staff who work collaboratively to ensure that the students receive a high-quality education in a safe and engaging environment. Thank you to our parents and community members for always attending our events and providing resources to meet the needs of our students.

There are many resources available for our students to receive academic support. For instance, we have after school tutoring available every day, from 4:35 p.m. to 5:40 p.m. for all high school courses. Our collegiate teachers also provide academic support during A-lunch, but students will need to coordinate the time with teachers. Students who need assistance with their college classes can make arrangements with one of the collegiate teachers for help. Students are also encouraged to attend office hours with the professor. Free online tutoring is also available through [Upchieve.org](https://www.upchieve.org). For further assistance with academic support, students or parents may contact the collegiate office.

I look forward to seeing everyone at our next parent meeting on December 2, 2021, at 6:00 p.m. on Zoom. The link will be shared later.

11<sup>th</sup> & 12<sup>th</sup> graders will have class Monday – Wednesday, November 22-24. Please check with each professor to determine if they have made an exception.

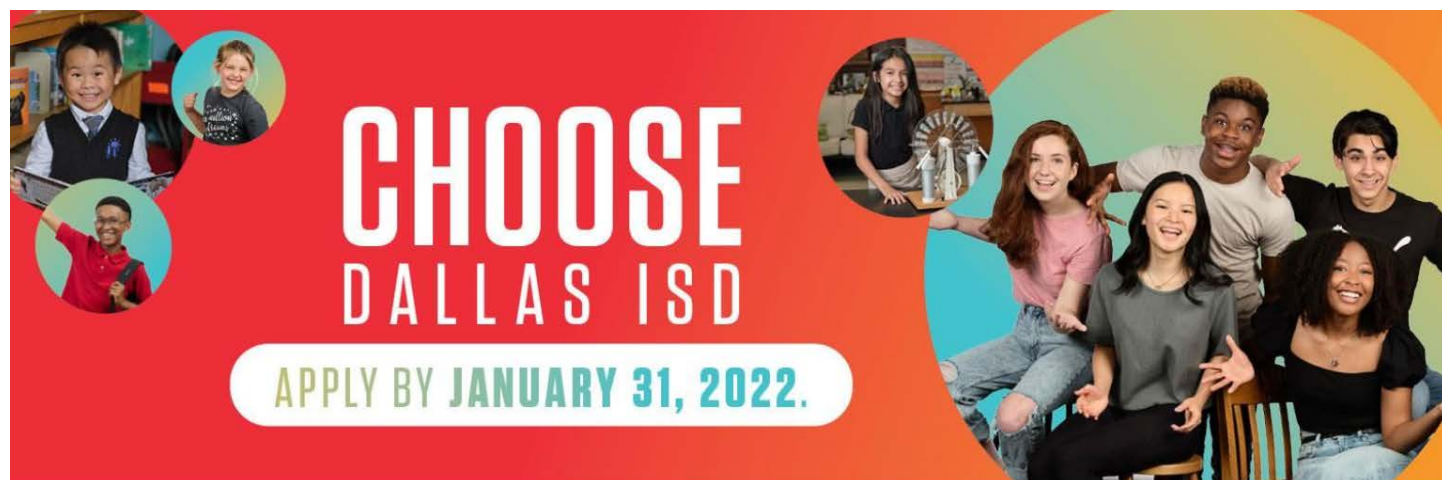

The MAPS class and Ms. Hanks would like to thank all of you who participated in the food drive. Your donations are truly appreciated.

Start preparing for the ACP tests!

Hillcrest E-Tech is in the process of accepting applications for the 2022-2023 school year. To access the application, go to [www.dallasisd.org/choosedallas](http://www.dallasisd.org/choosedallas).
