

### LET'S GET CONNECTED!

This document is to aide **Parents / Guardians** with student login support.

**NOTE:** A student EAD password is the same as their PowerSchool, Microsoft, and Google password.

### INITIAL STUDENT PASSWORD

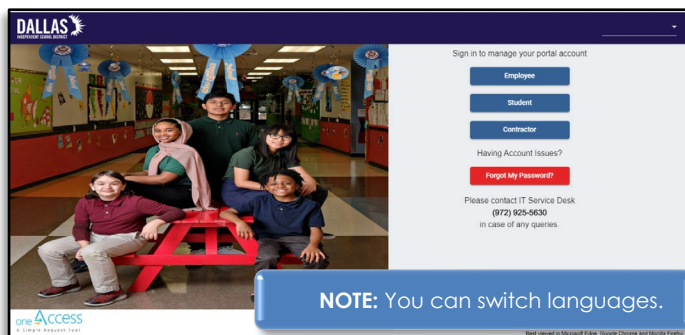

When a student needs assistance with their password, below are key points:

1. The username is the student ID which is seven-digit number such as 5987657.
2. The initial password for the student will be (8) characters made up of an "S" with the student ID. Example: S59876567.

### PASSWORD MANAGEMNT

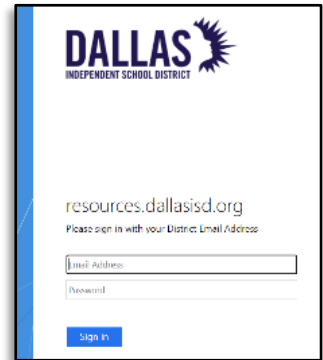

Students do not have to change the initial password, however if they desire to change to a unique password, they can by following steps below.

1. Go to [oneaccess.dallasisd.org](https://oneaccess.dallasisd.org)

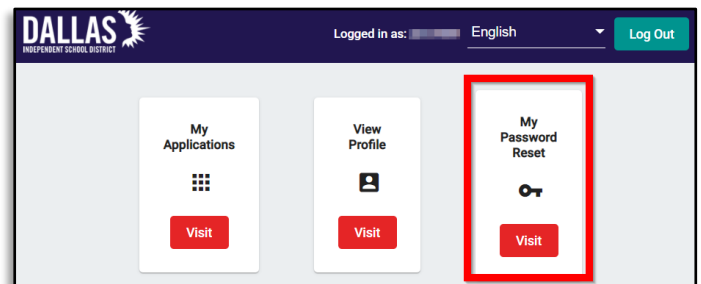

2. Click on **Student**

3. Login with their Dallas ISD EAD Credentials
  - a. EAD/Student#
  - b. EAD password

4. Click **Sign In**
5. They will be redirected to the Landing page, then under **My Password Reset**, click on **Visit**

6. They will follow the requirements and enter your password information.

Passwords must meet the following minimum requirements:

- Not contain the user's account name or parts of the user's full name that exceed two consecutive characters
- Minimum Password Age (3 Days Between Changes)
- Not contain spaces
- Be at least eight (8) characters in length
- Contain characters from the following categories:
  - English uppercase characters (A through Z)
  - English lowercase characters (a through z)
  - Base 10 digits (0 through 9)
  - Non-alphabetic characters (for example, !, \$, #, %)
