BUILDING FUTURES TOGETHER

A Message from Mr. Lysowski

North Lake Family,

This week we have ACPs and Final Exams for 9, 10, and 11 grade students. Students will still attend their college classes from 8-9:30am and then follow the ACP Bell Schedule that is provided below. Please note that Friday is a staff development and student holiday.

Parents/guardians, please take note that there is only one week remaining in the first nine-week grading period and final exams will occur this week. We encourage all families to check their student's progress on Parent Portal. For dual-credit information, please have your student log on to their eCampus account to view assignment submissions and current grades.

Respectfully,

Mr. Lysowski

Blazer News

This year, we have officially launched our extracurricular programs here at North Lake. One of those programs is our Yearbook and Newspaper club. On Friday, October 1, our student's released the first edition of the Blazer News, a student-led and student-created digital Newsletter. I would encourage all our families to review Volume 1, Number 1. Shout-out to Ms. Seymour, who has done an amazing job of leading this hard-working group of students!

Hispanic Heritage Month Activities

In 1988, Congress designated the entire month of September 15th through October 15th as Hispanic Heritage Month (HHM).

This month, Dallas ISD is providing a series of highly engaging programs and activities centered around the celebration, empowerment, remembrance, and appreciation of our students' cultural heritages. North Lake ECHS will also be incorporating culturally relevant lessons and enrichment opportunities through MAPS and our extracurricular programming.
