BUILDING FUTURES TOGETHER

A Message from Mr. Lysowski

North Lake Family,

We thank you for your participation in this week's events, including our Parent Involvement and SBDM meetings. Next week, we have two additional opportunities for families to participate. On Tuesday, we have our Annual Title I meetings (AM/PM) and on Wednesday, the North Lake ECHS PTSA will be hosting it's first membership meeting at 7:00pm. All families are encouraged to attend and participate!

Parents/guardians, please take note that there are only two weeks remaining in the first nine-week grading period and final exams will occur during the week of October 4-7. We encourage all families to

check their student's progress on Parent Portal. For dual-credit information, please have your student log on to their eCampus account to view assignment submissions and current grades.

Respectfully,

Mr. Lysowski

North Lake ECHS Principal

Hispanic Heritage Month Activities

In 1988, Congress designated the entire month of September 15th through October 15th as Hispanic Heritage Month (HHM).

This month, Dallas ISD is providing a series of highly engaging programs and activities centered around the celebration, empowerment, remembrance, and appreciation of our students' cultural heritages. North Lake ECHS will also be incorporating culturally relevant lessons and enrichment opportunities through MAPS and our extracurricular programming.

Part of the program is an assessment to determine basic skills in reading, mathematics and writing. **A passing score on the TSIA2 test is required in order to take most of the dual-credit courses on our Associate Degree crosswalks.** TSIA2 scores also impact our State Accountability rating for College and Career Readiness.

Scoring Standards:

English Language Arts and Reading (ELAR) Standard:

- ELAR Score of 945+ AND Essay Score of 5 – 8
OR
- ELAR Score under 945 AND ELAR Diagnostic Level of 4 – 6 AND Essay Score of 5 - 8

TSIA2 Math Standard:

- 950+
OR
- Math Score Under 950 AND Math Diagnostic Level of 6

TSIA2 Resources, Links, and Tutorials

Accuplacer Test Prep--The ACCUPLACER website features practice questions and other study tools to help you prepare for the TSI assessment. You can also login to take the Texas version of a web-based practice test to familiarize yourself with the tests three different content areas.

EdReady--TSIA2 test prep website. All students are required to sign-up and create an account. Create an account today using the information provided below:

1. Navigate to disd.edready.org and click **Get Started**.
2. After creating their accounts, they will receive an email confirmation with an activation link.

They will be able to access both the math and reading study paths with that one code. And they only need to enter the goal key one time to add it to their dashboard.
4. There is a [walkthrough video](#) and a [student quick start guide](#) at the bottom of the disd.edready.org main page if they need assistance
