

Description.

FIRST® LEGO® League introduces STEM (science, technology, engineering, and math) to children through fun, exciting hands-on learning. Participants gain real-world problem-solving experience through a guided, global robotics program, helping today's students and teachers build a better future together. *FIRST* LEGO League's three age-appropriate divisions inspire young people to experiment and grow their critical thinking, coding, and design skills through hands-on STEM learning and robotics.

Coach:

Leopoldo Arce

Meetings

Thursdays 3:30PM to 5:00PM 9 Consecutive meeting starting on October 6th.

Room #132 (Kindergarten dual language class)
