Brings to you ...

The Family Resources On The Go (F.R.O.G) bus is a drive through outreach effort to bring a variety of district resources and services to the community.

We have various Dallas ISD department representatives on site to answer questions on parent portal, academic partnering, uniform assistance programs, and more at our bus stops!

The event will take place on the back side of our campus going towards Gillette Street on:
September 28th from 2:30-3:30 pm.
