Sunset P-TECH

2020-2021 SCHOOL YEAR

Welcome Back Sunset Bisons!!

We have definitely entered a different time. It was decided by our district superintendent, Dr. Hinojosa, has announced that the first four weeks of school will be done virtually. School will begin on September 8th. With this being the case, there will need to be a mind shift in how we approach education for the 2020-2021 school year. We have updated our website to help guide parents during this time. We are only asking that you are patient as we work to answer the many calls, emails, and messages. Let's work together to make this a productive and successful school year. We also want to take a moment to remember the beautiful souls we lost during this time. You will always be remembered, Mr. Warnock and Terryon Jefferson Jr. Rest easy Bisons.

Summer Bridge 2020

Sunset P-TECH welcome their incoming freshman during the summer for the annual Summer Bridge Program. Our students were able to learn more about the program. Every Thursday was Workplace Learning Thursday. During this time our students were introduced to Mr. Justin Bryant, Dallas ISD Engagement Coordinator, who hosted a number of workshops to introduce the students to the Teacher Education Pathway.

Virtual Parent Orientation for Sunset P-TECH ECHS

At the beginning of August, we began having Parent Orientations for each of our cohorts to ensure we have communicated the expectations for the upcoming year. We hosted Zoom meetings and discussed the following big rocks:

- Communication
- Dress Code
- College Courses
- Zoom Etiquette
- Daily Requirements (attendance/huddles etc.)

Mr. Spencer communicated the importance of providing us the most up-to-date email, phone, or physical addresses so we can reach out if there are concerns. Sunset P-TECH students will not be required to wear uniforms for the fall semester. The expectations for the spring semester will be communicated at the end of the fall semester before Christmas break. The students were given guidelines for their online learning. Though students are at home they are expected to be on camera during instructions with no dark rooms, school appropriate attire, and not laying in beds or wrapped in blankets. Each of these presentations also listed the required college courses for each of our pathways.

We have posted each of these presentations on the website under the tab Fall Orientation Presentations for any parent or student who could not attend or did not receive it via email.

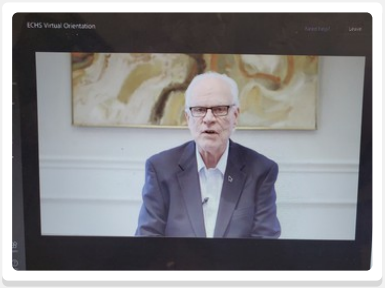

UNT Dallas Senior Class Orientations

UNT Dallas hosted a series of new student Orientations with our current seniors taking classes. Our seniors began their classes on August 24th, to ensure the students were ready for the experience, UNT Dallas, hosted:

- Virtual New Student Orientation and Trailblazer Talks on August 13th (9am-11:30am)
- UNT Dallas Early College High School Welcome Meeting for Students and Families (9am-11:30am)
- UNT Dallas Early College High School Success in Remote Learning for Students

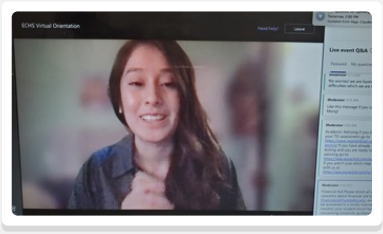

We are so grateful to UNT Dallas for providing the many resources to help our students stay successful during their Remote Learning experience for the fall semester.

President Mong Welcomes the Seniors

Several days of preparation

Another Exciting Welcome
