

INTERNATIONAL LEADERSHIP OF TEXAS

Greetings 6th grade Families.

I am beyond excited to welcome you and your students into the 24-25 academic school year! My name is Ms. Holgin and I am the 6th Grade Level Administrator. I can't wait to meet you all in person at our annual Meet the Teacher Night and continue to collaborate with you to grow our students throughout this year. To get you started, I have attached this year's 6th grade supplies list.

The supplies under the **General Supply List** will be left in the classroom on the date of our Meet the Teacher Event. The supplies under the **Content Supply List** will be left in the students' backpack to bring on the first day of school. If you have any additional concerns or questions, please direct them to kholgin@iltexas.org or feel free to address them at our Meet the Teacher Event.

Lastly, if you know that your student **will not** be attending our campus this school year, please notify me as soon as possible, so that I can update our 6th grade attendance rosters and take you off of our mailing list.

It's going to be a fantastic year - see you soon!

Kristalynda Holgin
