

Dear Parents,

Welcome to the new school year at the International Leadership of Texas Arlington! We are delighted to have your child join our Kindergarten grade class, and we look forward to an exciting year of learning, growth, and discovery.

Kindergarten is a crucial year filled with many new experiences and opportunities for your child. Our curriculum is designed to foster a love for learning while developing essential skills in reading, writing, math, science and social studies. We also emphasize the importance of social-emotional development, helping students build friendships, develop empathy and learn to work cooperatively with others.

To ensure a smooth and successful start to the school year, here are a few important details:

Meet the teacher:

We would love to meet you and your child at our “Meet the Teacher” event in August. This will be an excellent opportunity for you to see the classroom and discuss any questions or concerns you may have.

Communication:

We believe that open communication between home and school is vital. You can expect regular updates about classroom activities, important dates and your child’s progress through class dojo and or email. Please feel free to reach out to me via email at naalayton@iltexas.org or by calling the school office at (817) 419-9281.

Classroom Supplies:

A list of necessary classroom supplies is available on our website. If you have any difficulties obtaining these supplies, please let us know, and we will be happy to assist.

Volunteering:

Parent involvement is a key component of our school community. If you are interested in volunteering in the classroom or for special events, please let us know. Your support is greatly appreciated and makes a significant difference in the lives of our students.

Daily Schedule:

Our school day begins at 8:00am and ends at 3:45pm. Please ensure your child arrives on time and is ready to learn. Consistent attendance is crucial for academic success, so we appreciate your efforts in making sure your child is present every day.

We are thrilled to embark on this educational journey with your child and look forward to a year full of exploration, creativity and achievement.

Warm regards,
Mrs. Layton, Kindergarten GLA
