## Scrapheads are Event Champions!

The Holden R-3 Scrapheads robotics team were awarded **Winning Alliance - 1st Team Selected & Control Award - 2nd Place** at the MOKS-MO KC East League Tournament this past Saturday, January 27. *"The late nights, hours of work over winter break, virtual meetings when it was too icy to have school, snow days, carpools between parents and mentors to get teammates to practice - all of it culminated today with an awesome League Tournament and earning a trip to our FTC Missouri-Kansas Regional Championship! These kids are simply amazing!"* The team thanked their alliance members @cyberpiratesbelton & @kc\_astromechs in their posts on social media. The Missouri Kansas Regional Championship will be held in Rolla, Missouri, on Saturday, March 2, at the Gale Bullman Multipurpose Building.

## Community Resources

Greater Blessings  
Program

It's true, Andie Smith, Bright Futures Holden Director, does a ton to support the students of Holden R-3, but she also shares resources for everyone in the community! Give her a follow on Facebook (<https://www.facebook.com/bright-futuresholden>) and you'll be made aware of events such as Senior Citizen Walk-in Day at Johnson County Community Health Services and programs such as Greater Blessings from the Fuller Center for Housing of JoCoMo! To volunteer or make a donation, contact [brightfutures@holdenschools.org](mailto:brightfutures@holdenschools.org)

## Distinguished Alumni Noms Open

Do you know a Holden R-3 graduate who has made a significant contribution to their community or their field of work? Nominate them for the Distinguished Alumni Award! More information about the award can be found on our website at <https://www.holdenschools.org/community/alumni> Forms are due March 12, 2024.
