

THE BORO BEAT

*The Weekly Newsletter of Freehold Borough School
District*

Dear Parents/Guardians and Staff:

It is officially summer break! We hope this summer you have the opportunity to enjoy time with family and friends as you recharge for the fall. On campus, our summer programs will be in full swing during the month of July and August, and there will be some activities and opportunities over the summer that you may not want to miss. Be sure to check your email and social media for important information regarding summer events. Enjoy your summer!

Update: Classrooms at the PAC

The plan for changes to room assignments at the PAC has been finalized. Due to space requirements, it is necessary to place a middle school classroom in the 3rd-4th grade hall. However, instead of an 8th grade class, we will be moving a 6th grade class into one of the classrooms. This room will be near two current FIS classrooms at the end of the hall closest to the PAE main office.

We want to assure you of the following:

1. Only one 6th grade class will be located at the end of the third grade hall.
2. Separate bell schedules will limit interactions between the two grade levels.
3. The 6th and 3rd grade students will not share restrooms or related arts classes.
4. The 6th grade students will have no reason to go into any third grade classroom.
5. There will be adults in the hallways during transition times.

Please be aware that FIS and PAE are connected, and our youngest students may pass our oldest students in the hall at some point, regardless of classroom assignments.

Thank you for your understanding, patience, and cooperation as we make these necessary adjustments.

Announcing Our District Logo Contest Winners!

We are excited to share the results of our District Logo Contest, a creative endeavor that invited students to visually represent the spirit of our school community. The contest was a display of talent and Boro pride, with entries pouring in from all various grade levels in our district. Congratulations to all of our winners and the Master Logo Designers!

Third Place: Confidence Nweze (7th grade) and Juan Rios Soto, Kenny Rojas, Catalina Irrazabal, Kerwin Miculax, and Dannaë Santamaria (5th grade team)

Second Place: Deja Dockery (7th grade) and Juan Mena (6th grade)

Grand Prize Winners & Master Designers: Cathy Lopez (4th grade) and Hannia Perez Barcenas (5th grade)

With a tie between our two Master Designers, we combined both designs to come up with a draft of our future logo pictured below. Thank you to all the students who participated in the logo contest and the staff and students who voted, making this initiative a success!

5th Grade Moving Up Ceremony

Our 5th Grade Moving Up Ceremony was an incredible success! It was standing room only as we family, friends and staff packed the gym to celebrate our students. The smiles and applause created an atmosphere that was absolutely electric, making the evening even more special for our 5th graders. Our students stole the show with their singing performance! It was a beautiful moment that showcased their talents and all the hard work they've put in. The event would not have been possible without the hard work of Mr. Mulhern and the PAE staff! We're so proud of our students and we're truly grateful for the wonderful staff and community we have at Park Avenue Elementary!

Our Eagles are now Lions!

Upcoming Events

July 1 - Summer Programs Begin

June 22 - September 3 - Summer Break

8th Grade Graduation

Our 8th grade graduation was a day filled with pride, nostalgia, and the excitement of new beginnings. Although our graduates were nervous, the excitement among them was evident. The graduation was a resounding success, with an attendance that exceeded our expectations. The stadium was brimming with excitement, and the air was charged with anticipation as we honored the accomplishments of our 8th graders. The applause and cheers of family, friends, staff, alumni, and community members were a testament to the love and encouragement for our students, and it created an atmosphere that was both inspiring and heartwarming. Behind the scenes, our staff worked tirelessly to ensure that every detail of the graduation was perfect. Special mention goes to Mr. Brovak and Mrs. Elkin, whose efforts were instrumental in the event's success.

IMPORTANT

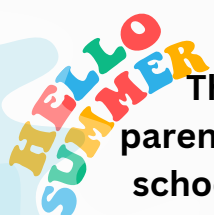

This newsletter is supplemental to the information sent from your child's school on Friday. Please be sure to continue to look for those emails as well.

Mrs. Fattorusso

Mrs. Dispenza's Clap Out

Thank you to our staff, students, and to your parents/caregivers for your unending support of our schools and our community. It is a privilege to lead our school community, and I, and all our staff, take great delight in all the many achievements of our young people. We hope for a good rest for you and your families over the summer. Enjoy your summer break!
