Debra A. White, Assistant Principal

June 2024

To the Parents or Guardian of _____,

Your child has been identified as needing to make up the following class(es) and/or exams:

It would be in your child's best interest to attend a summer school program through Miller Place's Online Summer School (Educere, Founders Academy) or BOCES Regional Summer School to complete the necessary credits towards graduating from Miller Place High School. **Please see the Guidance/Counseling webpage, "Summer School" link for information.** If you have any questions regarding summer school courses, please contact your child's school counselor.

Please note: **NO REGENTS EXAMS ARE AVAILABLE ONLINE.** If it is necessary that your son/daughter retake a Regents exam in August **you must register in person** at the Regional Summer School locations for the Regents exam designated above. If you are interested in registering for in-person classes at the Regional Summer School please contact your child's school counselor. Please see the enclosed information.

Please note: Fees are associated with both regional summer schools and the Educere Online Summer School. If you are registering for a Regents or in person class, please note that **cash and personal checks will NOT be accepted.** Certified bank checks/money orders payable to the Bay Shore School District are the only acceptable forms of payment. Bay Shore School District will accept credit cards.

*If your child has an IEP/504 plan you will need a current copy to register for in-person summer school registration with services/accommodations at summer school locations. In case you do not have a copy, please contact the Special Education Office at 474-2700.

*All students will need a copy of their most recent report card for in-person summer school registration which can be printed from School Tool.

*The medical form included in this mailing should be completed for in-person summer school registration.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sean White", enclosed in a light blue oval.

Sean White
Assistant Principal & Guidance Director
