- **Field Trip Days** - Please drop off at least **30 mins prior** to our departing time. The calendars are marked with each destination as well as the departing and returning times. Due to safety, we do not allow parents to drop off or pick up while at a field trip destination unless it is an emergency. No money is needed on trips.
- **Everyday Essentials** - Children will need to bring a lunch (with an ice pack if needed), at least 2 snacks, sunscreen (if needed), water bottle, and comfortable/appropriate shoes everyday! It is helpful if children have a bag/backpack to carry all their things. Children will have lockers to keep their things in.

- **Wheels/Ice Cream/Water Days** - On alternating Fridays, we will be having Wheels & Ice Cream or Wheels & Water Days. On these days, children may bring bikes, scooters, roller blades, ect. to ride. Children **MUST** bring a helmet to ride. Bikes can be dropped off in the morning on Fridays, they cannot stay at the school overnight. Along with the Wheels Day, we will also be either walking to Schooneys Ice Cream Shop in Taylors Falls, or having an On-Site Water Day in the afternoons. Please refer to the calendar to know what Fridays are Ice Cream or Water Days.
- **Ice Cream & Wheels Days** - We will start walking down to Schooney's from 1pm-3pm. Ice Cream will be \$3, it will be billed through your online Eleyo account.
- **Water & Wheels Days** - Children may bring their swimsuits and towels, we will have fun water activities out for the kids.
- **Theme Days** - Mondays will be our Theme Days! Kids can feel free to dress up, or bring something from home that relates to the Theme Day. We will do themed crafts, activities, snacks and learn all about the theme of the day!
- **Swimming** - We will be going to the Wildcat Community Center on Tuesdays for swimming. Children should bring a bag/backpack with a swimsuit and towel. We will be at swimming from 1:30pm-3:30pm.
