Guidelines:

1. Be sure to read the relevant sections in the textbook before attempting the problems.
2. Show your work for each problem. No credit will be given for answers which are not supported by appropriate work.
3. Graphs should be done on graph paper.
4. Be sure that your work is legible and organized neatly.
5. The AP Calculus exam (both AB and BC) will be given on Monday, May 13, 2025. Your success on this exam starts with your preparation this summer.
6. AP students must successfully complete all AP course summer work. This packet is due the first day of class. Failure to complete this work will result in the student being dropped from the course.
7. Enjoy your summer. We look forward to working with you in the fall!
