NONPRESCRIPTION MEDICATIONS

School nurses may give nonprescription medications with parental permission. The following guidelines need to be followed:

1. The school nurse must assess the child's complaint and symptoms to determine if other measures can be used before medication is given.
2. The school nurse must be notified of any allergies, especially to medication, that your child has.
3. All medications sent to the school must be in the original container. (This is the law.)
4. A record of the medication given will be kept by the school nurse.
5. Nurses must use restraint at all times in the use of nonprescription medicines.

Please contact the Mrs. Hoffmann if you have any questions at 697-3207.

I have read the above and request to give Mrs. Susan Hoffmann permission to administer:
