

Alive at 25[®]

High School Parking Pass

Alive at 25 is a program of the National Safety Council Southeastern Chapter (SCNSC) that focuses on behavior, judgment, decision making and consequences to provide young drivers with tools for making positive choices behind the wheel. This unique defensive driving program is taught by local law enforcement officers in a single 4-hour class session.

Since 2007, Alive at 25 has reached more than 250,000 students across South Carolina, and the teen traffic fatality rate has decreased by almost 50% since the program launched.
