

*We make your beautiful memories
last a lifetime!*

Congratulations! You've made it to your senior year! Let us help you turn these once in a lifetime moments into lasting memories. The Photographic Art Studio is proud to have been chosen by your school as the only photographer for the Senior Class of 2025. **Only** The Photographic Art Studio's photographs will appear in the yearbook.

Photography Session Choices:

- **Basic Yearbook Session** – This is a free session for those of you who only want to have your photograph taken for the yearbook. We will take 4 photographs of you in the attire of your school's choice, and **we will choose** the best image. A **basic retouched** file will be sent to the editor to be used in the yearbook.
- **Yearbook Plus Session** -- Want something more? Would you like to be photographed in both the formal attire and the cap and gown . . . and also have the ability to choose your own yearbook image? Then choose our **Yearbook Plus Session**. This session is \$40. The session fee of \$40 will be applied as a portrait credit *if* a package is purchased. We will provide the required yearbook attire and also photograph you in a cap and gown. These portraits are head and shoulder pose only. You can view your portraits within 7 days, choose your yearbook image and purchase portraits from this sales session. Payment plans are available and there are special incentives if you purchase on the day of your sales session.
- **Mini Session** -- Our **Mini Sessions** are only \$40 more than the Yearbook Plus. Include an additional outfit of your choice (you can bring your letterman's jacket or another outfit as well as props). In addition to the photos taken for the plus session you will also be photographed on a different background for your outfit, including full length portraits with different lighting for more variety. Mini sessions are normally done on same day as your Yearbook Plus sessions, however if the student cannot shoot on same date of plus session, the studio can book it for a different day at a cost of \$50 instead of \$40.
- **Creative Session** – *Show the Real You!* Express it in a **Creative Session**, the ultimate senior portrait experience. These fun filled photo shoots can be done indoors or outdoors, or both. You may bring with you many of your favorite outfits and props such as cars, horses, dogs, etc. We have a design consultation meet with you a week prior to make sure we get the shots you are looking for. The session fee on this is \$100 for indoor **or** outdoor and \$175 **for both**. Book a creative session between July 1 to July 30 for 50% off.
