## EMPOWERING EDUCATORS:

### Mastering Essential Classroom Practices

This full-day workshop is designed to equip novice-level teachers or instructional coaches with effective strategies centered around five essential classroom practices: building relationships, classroom structure and teaching, active engagement, responding to appropriate behavior, and responding to inappropriate behavior. Throughout the workshop, participants will engage in hands-on activities and collaborative discussions to solidify their understanding and application of these practices. Please join us in taking the first step towards transforming your classroom environment!
