*(1) Address learning loss through the implementation of evidence-based interventions and ensure that those interventions respond to students' social, emotional, and academic needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups. Funds are focused on Social and Emotional Learning (SEL) and instructional curriculum to accelerate learning, additional staff needed to maintain smaller class sizes and support the accelerated curriculum, and activity buses to allow students to stay after school for additional supports. (Minimum 20% of Allocation) (2) Purchase additional buses to meet the transportation needs of the District and get all students back to school, including installing cameras and GPS systems for proper security measures. (3) Support additional nurses and contact tracing staff. (6) Repairing and improving school facilities to reduce risk of virus transmission and exposure to environmental health hazards and ensure we are providing safe spaces for students to properly social distance with in-person instruction. (7) Contract with HVAC engineer to assess air quality of all District	8,853,982 750,000	181,486	Expended 488,640	Budget 8,183,856
